Estimated total number of students at the institution eligible to participate in programs under Section 484 in Title IV of the Higher Education Act of 1965 and thus eligible to receive Emergency Financial Aid Grants to students under Section 18004(a)(1) of the CARES Act	12,000
Total number of students who have received an Emergency Financial Aid Grant to students under Section 18004(a)(1) of the CARES Act	11,361

Methods

The method to determine which students receive Emergency Financial Aid Grants was based on regulations in Public Law in HR 748 - 116th Congress, 2nd Session, CARES Act, Higher Education Emergency Relief Fund, Section 18004, guidance published by the US Department of Education, Office of Postsecondary Education that was posted on May 6, 2020 online at <https://ifap.ed.gov/electronic-announcements/050620HigherEdEmergencyReliefFundRptg> and guidance posted to the Office of Postsecondary Education's CARES Act: Higher Education Emergency Relief Fund website at <https://www2.ed.gov/about/offices/list/ope/caresact.html>. The Frequently Asked Questions document posted by the Office of Postsecondary Education states in Answer #4 that "students who were enrolled exclusively in an online program on March 13, 2020, the date of the President's Proclamation, 'Declaring a National Emergency Concerning the Novel Coronavirus Disease (COVID-19) Outbreak...are not eligible for emergency financial aid grants" and in Answer #9 it states that "only students who are or could be eligible to participate in programs under Section 484 in Title IV of the Higher Education Act of 1965, as amended (HEA), may receive emergency financial aid grants. If student have filed a Free Application for Federal Student Aid (FAFSA), then the student has demonstrated eligibility to participate in programs under Section 484 of the HEA. Students who have not filed a FAFSA but who are eligible to file a FAFSA also may receive emergency financial aid grants. The criteria to participate in programs under Section 484 of the HEA include but are not limited to the following: US citizenship or eligible noncitizen; a valid Social Security number; registration with Selective Service (if the student is male); and a high school diploma, GED, or completion of high school in an approved homeschool setting." Accordingly, South Texas College has complied with regulations and guidance in processing applications from students it has received.

The method to determine how much each student would receive considered the allocation formula grant funds received by South Texas College for Emergency Financial Aid Grants to Students under the Coronavirus Aid, Relief, and Economic Security (CARES) Act, plans to use no

less than fifty percent of the funds received to provide emergency financial aid grants to students for expenses related to the disruption of campus operations due to coronavirus (including eligible expenses under a student's costs of attendance such as food, housing, course materials, technology, health care, and child care), and an estimated number of students who would meet the eligibility guidelines provided by the US Department of Education: Office of Postsecondary Education. South Texas College determined the amount of each individual emergency financial aid grant consistent with all applicable laws including non-discrimination laws, has collected information from student applicants, and determined that the initial distribution amount for eligible Spring 2020 students would be \$600.
