**Whether it's for business or for pleasure, speed reading is a valuable skill! The PACE Advanced Reading Skills Course is the premier program for advanced reading skills.**

Our course offers measurable increase in reading efficiency and accuracy. On average, graduates of this program experience a 100% increase in their Effective Reading Rate (ERR). This rate measures increases in speed and comprehension. Students are able to process more information in less time with greater understanding.

### Our course offers you the following:

- It helps to identify and eliminate poor reading habits.
- Students will also acquire new reading techniques to:
  - Improve comprehension and recall
  - Increase speed
  - Develop flexible reading strategies

**Course will be  
offered twice this  
year - don't miss  
out!**
