Academic Success After Developmental Studies in Reading (continued)

Success Rates in College Level Courses by Students Previously Enrolled in Developmental Courses

Success Rate in HIST 1301 by Developmental Reading History

Withdrawal Rate in HIST 1301 by Developmental Reading History

Note: "Students With Developmental" includes students who received a grade of A, B, C, D, F, I, P, NP, or W in the specified developmental course prior to the term they enrolled in HIST 1301 (U.S. History 1).

Based on chi-square of Fall 2005: Difference in success rates between students with a Developmental history and no Developmental history is significant at $P < .01$. Differences in withdraw rate between students with a Developmental history and no Developmental history is significant at $P < .01$.
