* "TSI Met" in Writing only: These are Developmental cohorts from level one, two, or three that passed the Writing section of either THEA or ACCUPLACER within the two year tracking parameter.

Note: First Time in College (FTIC) used in this report include only fall FTIC students enrolled in one of the four levels of English their first term at STC. Course completion was tracked for two years for each cohort at STC and UTPA. Students were counted as completing a course level if they completed the course by the end of the second year. Repeated courses were counted. Students passing THEA or ACCUPLACER while enrolled in Developmental Courses are encouraged, but not required, to complete the course. Passing includes grades of "A", "B", "C", and "P" at STC and includes grades of "DP" and "WP" from UTPA.
