Narrative: In the space provided, summarize your entity's recent efforts to increase transparency in the area of Traditional Finances. Be sure to:

- a) Provide explanations for any terminology that appears in the summary.
- b) Describe any benchmarks, standards or best practices your entity uses to gauge its progress in this area.
- c) Detail any historical analysis used to track efforts to improve transparency in this area.

Transparency promotes accountability and provides information for taxpayers about what their local college is doing. South Texas College District ("the District") will disclose information, consistent with law and policy, in forms that the public can readily find and use.

Meaningful financial data and reports have been made publicly available on the District's website, aiding taxpayers in comprehending trends, policies, and the allocation of their tax dollars. The website has been designed to facilitate easy searches for this information.

The District has enhanced our financial reporting transparency and have been awarded the GFOA Certificate of Achievement for Excellence in Financial Reporting for eighteen consecutive years. In order to be awarded a Certificate of Achievement, a government must publish an easily readable and efficiently organized Annual Comprehensive Financial Report.

*Note: To complete your application, see the specific criteria page for the Traditional Finances Transparency Star which details visualizations, documents, downloadable data and other required information.*
