TRAINING ANNOUNCEMENT

Managing Critical Incidents

11/6/2025 thru 11/6/2025

Pharr, TX

Co-Hosted By **South Texas College Regional Center for Public Safety Excellence**

Course Overview

This one-day course is designed to provide law enforcement supervisors and command personnel with the information and tools needed to manage a large-scale critical incident. This course will include a NIMS review, but the focus of the course is providing the tools for supervisors and command personnel to succeed when responding to active threats. The roles and responsibilities of the Incident Commander will be discussed and applied through practical group exercises. Command decision-making through a proven system that streamlines the flow of direction and information will be a central focus of this course.
