Course	Day / Time	*REQ	Objectives/Description	Hrs.
NFA065 ICS400 Advanced ICS for Complex Incidents	Thursday & Friday 8:00am – 5:00pm		<ul style="list-style-type: none"> Given a scenario and review materials, apply key NIMS doctrine concepts (NIMS Management Characteristics, Unified Command, Incident Command System structure and functional area responsibilities, IAP Preparation and the Operational Period Planning Cycle, and incident complexity) to the management of a complex incident or event. Apply the appropriate structural option to manage a complex incident. Given a scenario, develop an Area Command organization. Identify the complex incident management issues that can result from a lack of multiagency coordination. 	15

** **ESTI Student Safety Manual** PPE requirements for levels (0-5). Classes are subject to change and/or cancel.*

Course Description:

NIMS IS-400: (2019) Advanced ICS for Complex Incidents. The NIC recommends that all command and general staff personnel should take ICS-400. The course material is specific to personnel who will be serving in the following positions: command or general staff in an ICS organization, select department heads with multi-agency coordination system responsibilities, area commanders, emergency managers, and multi-agency coordination system/emergency operations center managers. Federal, State, territory, tribal or local agency/organization/ jurisdiction reserve the right to make the final decision as to who should complete this course
