## **Instructor - Randy Thumann**

This course covers the most up to date highway interdiction tactics and techniques. Starting from the most basic foundation of criminal interdiction, Sergeant Thumann will take the students into the most advantageous and aggressive tactics used to catch a smuggler. Instructor Randy Thumann is currently employed as a fulltime K9 Interdiction Sergeant and will explain the techniques that he has personally used throughout his career to successfully dominate the traveling smuggler. Keeping no secrets Thumann will explain the stops from start to finish covering vehicle selection, targeting plates, pre-textual vehicle selection, road side interviews, deceptive behavior and body language, vehicle search techniques, and the most common vehicle compartments and concealments currently used.
