If You Tested Positive for COVID-19

You tested positive or were diagnosed with COVID-19

Do not come to campus. If already on campus, go home immediately.

Isolate for 5 days.
Day 0 is your first day of a positive test. Day 1 is the first full day after your test specimen was collected.

Employee or Student?

Employee
Complete and submit the Employee Communicable Disease Reporting Form and notify supervisor.

Student
Complete and submit the Student Communicable Disease Reporting Form and notify instructor.

Return to Campus:
- 5 days after symptoms developed and 24 hours without a fever without using any fever-reducing medications, and other symptoms of COVID-19 are improving (if you had symptoms), or
- 5 days have passed since positive test (if you had no symptoms).

Refer to the COVID-19 Campus Safety Protocols for return to campus procedures.
If You have COVID-19 Symptoms

You are exhibiting symptoms of COVID-19

Do not come to campus. If already on campus, go home immediately.

Isolate for 5 days. Day 0 is your first day of symptoms. Day 1 is the first full day after your symptoms developed.

Employee or Student?

Employee: Complete and submit the Employee Communicable Disease Reporting Form and notify supervisor.

Student: Complete and submit the Student Communicable Disease Reporting Form and notify instructor.

Return to Campus:
- 5 days after symptoms developed, and 24 hours without a fever (without using any fever-reducing medications), and other symptoms of COVID-19 are improving, or
- A negative test result, or
- Provide a medical note clearing you to return due to a medical diagnosis unrelated to COVID-19.

Refer to the COVID-19 Campus Safety Protocols for return to campus procedures.
If You Were Exposed to COVID-19

You were exposed to someone with COVID-19

Do you have symptoms?

YES

Isolate and follow the "If You Have COVID-19 Symptoms" flowchart.

NO
