Since its inception in 1993, South Texas College has grown from 1,000 students to an enrollment of 30,000 and has conferred more than 80,000 degrees and certificates. As one of the most prominent community colleges in the nation, the state's top producer of nurses and the only community college to offer baccalaureate degrees, South Texas College is committed to student learning as the foundation of student success. This is achieved through excellence in teaching and service, faculty and staff empowerment, professional development and accountability.

South Texas College students can choose from more than 127 degree and certificate program options in a variety of fields of study. These include business, technology, liberal arts, social science, math, science, nursing and allied health. Students can pursue a Bachelor of Applied Technology (BAT) in Operations Management, Computer and Information Technologies, Medical and Health Services Management, a Bachelor of Applied Science (BAS) in Organizational Leadership, and a Bachelor of Science in Nursing (RN-to-BSN). South Texas College has additionally accepted 86 agreements with 66 institutions across the nation that benefit graduates who wish to continue their education beyond the College’s offerings.

The Dual Credit Programs at South Texas College collaborates with 21 school districts and 70 high school partners across Hidalgo and Starr Counties. The Dual Credit Programs offers four options for high school students to earn college credit hours and/or a college credential. Since the inception of Dual Credit Programs, South Texas College has served over 126,000 dual credit students and has awarded over 15,000 certificates and/or associate degrees. Additionally, the South Texas College Dual Credit Programs is the first dual credit program in the state of Texas to be nationally accredited by the National Alliance of Concurrent Enrollment Partnerships (NACEP).

The Continuing, Professional and Workforce Education Department provides lifelong learners opportunities to upgrade skills, change careers, renew licenses and certifications, or seek personal enrichment. Additionally, the division offers customized training to area businesses, industries, and the community.

The Office of Industry Training and Economic Development (ITED) at South Texas College is committed to fostering long-term sustained economic growth in Hidalgo and Starr counties by serving the following interrelated industry sectors: manufacturing, petrochemical, construction, logistics/transportation, and food and beverage processing. Through the Institute for Advanced Manufacturing (IAM), ITED provides customized training to new and incumbent workers in these sectors which include suppliers to end producers and supporting services. The goal of the IAM is to develop and deliver customized training to local and international industry partners. The IAM is certified to offer the following internationally-recognized education and training credentials: FANUC Robotics, Festo Robotics and Automation, Certified Production Technician and National Institute for Metalworking Skills.

South Texas College is accredited by the Southern Association of Colleges and Schools Commission on Colleges to award baccalaureate and associate degrees. For information about the College’s accreditation, contact the Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033 or call 404-679-4500.

In accordance with the Americans with Disabilities Act of 1990, Title IX of the Education Amendment of 1972, and Section 504 of the Vocational Rehabilitation Act of 1973, South Texas College provides accommodations as required by law to afford equal educational opportunities to all people. For additional information about South Texas College call 956-872-8311 or visit souhtexascollege.edu.
