- Personal Development

Three courses are available based on your level of management:
- Level 1 for New/Emerging Supervisors & Managers (0-2 Years Management Experience)
- Level 2 for Experienced Managers (2-10 Years Management Experience)
- Level 3 for Senior Managers & Directors (10+ Years Management Experience)

TESTIMONIALS

“STC has provided Loop with a training program that focuses on the “soft skills” of managing a business. I am very satisfied with the level of commitment that IAM staff has shown in developing programs that meets our needs.”

– Judson W. Anderson, President & COO, Loop Cold Storage Co.

“STC has been an important resource in our McAllen distribution center and training with continuous improvement initiatives and goals. We would like to thank STC for offering such programs to local businesses. We are committed to continue our partnership with STC for many years to come.”

– Benjamin Martinez, McAllen DC 228 Manager, Del Monte Foods

THE INSTITUTE FOR ADVANCED MANUFACTURING

The Institute for Advanced Manufacturing (IAM) is an affiliate of the North American Advanced Manufacturing Research and Education Initiative (NAAMREI). IAM is focused on delivering customized workforce training to manufacturing and manufacturing related businesses in Hidalgo and Starr counties.
