

**THE INSTITUTE FOR  
ADVANCED MANUFACTURING**

**The Institute for Advanced Manufacturing  
Schedule for October, November, and December 2017**

The mission of the The Institute for Advanced Manufacturing is to help identify, develop and provide quality training programs to employers that are looking to upgrade the skills of their staff. The Institute offers a diverse assortment of courses that satisfy employer needs for customized training. The delivery of training courses is flexible and can be tailored to meet the employers work schedules including evenings, weekends, location, course content and length.
