Student Handbook
EQUAL EDUCATION AND EQUAL EMPLOYMENT OPPORTUNITY

South Texas College is an equal education and equal employment opportunity/affirmative action employer. As an equal opportunity employer, the College does not discriminate on the basis of race, color, national origin, religion, age, sex, sexual orientation, gender, gender identity, disability, genetic information, or veteran status. Discrimination is prohibited and the College will comply with all applicable College policies, and state and federal legislation. This policy extends to individuals seeking employment with and admission to the College.

RIGHTS OF INDIVIDUALS WITH DISABILITIES

South Texas College complies with Section 504 of the Rehabilitation Act of 1973 and with the Americans with Disabilities Act of 1990, and does not discriminate on the basis of a disability in the areas of admission, accessibility, treatment, and employment. Individuals with disabilities, as defined under the law, who are otherwise qualified to meet the institution's academic and employment requirements will be provided with services and resources accordingly. Students and employees must submit the appropriate documentation of the disability by a qualified professional whose license or credentials are appropriate to diagnose. For students with disabilities, reasonable accommodations are made to allow the individual student to be successful at South Texas College. Accommodations are provided for those students who submit the documentation of the disability by a qualified professional whose license or credentials are appropriate to diagnose the disability. South Texas College supports efforts in making the campus more accessible and encourages individuals with disabilities to participate in all activities. Students seeking assistance should contact the Office of Student Disability Services. Employees should contact the Human Resources Department.

STATEMENT ON ALCOHOLIC BEVERAGES, TOBACCO, FIREARMS AND OTHER SUBSTANCES

Statement On Alcoholic Beverages, Tobacco, Firearms And Other Substances In compliance with the Drug-Free Schools and Communities Act Amendment of 1989 (Public Law 101-226) and Texas House Resolution 2253 and Senate Resolution 645 (passed in 1987), South Texas College forbids the unlawful manufacture, possession, sale, use or distribution of illegal drugs and alcoholic beverages at on-and off-campus college-sponsored events. Each of these statutes requires colleges and universities to clearly inform students that no illegal drugs (including unlawful possession of alcohol) will be allowed on campus (inside buildings and on campus property), and that students who are found guilty of such violation(s) will be penalized. South Texas College also prohibits smoking and the use of tobacco products in all college buildings. Violators of this policy may be subject to disciplinary action. Students seeking assistance or educational materials about alcohol, drugs, tobacco or other substances should contact the office of Student Support Services. Effective August 1, 2017, Legislative Session 84, Senate Bill 11, also known as Campus Carry will permit holders of a Texas License to Carry (LTC) or Concealed Handgun License (CHL) to bring concealed handguns to certain locations on the college campuses. License holders are referred to the following website for information on
prohibited areas and gun free zones (https://www.southtexascollege.edu/about/notices/campus-carry.html). Violators are subject to disciplinary action and criminal prosecution.

**HARASSMENT, DISCRIMINATION, AND SEXUAL MISCONDUCT**

As per policy 4216, Sexual Harassment section, South Texas College assumes an affirmative posture to prevent and eliminate sexual misconduct, including sexual harassment in any division, department, or any unit by any individual. South Texas College provides an educational and working environment for its students, faculty, staff, guests and visitors that is free from sex discrimination and sexual harassment. It is the policy of the College that any practice or behavior that constitutes sexual harassment will not be tolerated. This policy has been developed to reaffirm this principle and to provide recourse for those individuals whose rights have been violated.

Sexual Harassment is unwelcome verbal or physical conduct that is,
- sufficiently severe, persistent or pervasive that it, unreasonably interferes with, denies or limits someone’s ability to participate in or benefit from the College’s educational program and/or activities, and is
- based on power differentials (quid pro quo), the creation of a hostile environment, or retaliation.

Sexual harassment in the workplace and schools is an illegal practice under Section 703 of Title VII of the 1964 Civil Rights Act, as amended, and Title IX of the Education Amendments of 1972, as amended: [https://admin.southtexascollege.edu/president/policies/pdf/4000/4216.pdf](https://admin.southtexascollege.edu/president/policies/pdf/4000/4216.pdf)

**CLERY ACT**

The Department of Public Safety prepares a crime statistics report to comply with the Jeanne Clery Disclosure of Campus Security Policy and Crime Statistics Act. Each year, notification is made to all enrolled students providing the web site to access this report. Faculty and staff receive similar notification. Copies of the report may also be obtained at the South Texas College Department of Public Safety, located at 2509 W. Pecan Blvd., McAllen.

**TITLE IX**

Title IX of the Education Amendments of 1972 protects people from sex discrimination in educational programs and activities at institutions that receive federal financial assistance. We are committed to providing an environment free from discrimination on the basis of sex. Title IX is often perceived as a law that applies only to athletic programs; however, Title IX is much broader and protects all students, employees, and visitors to campus from gender based discrimination.
NOTICE OF NON-DISCRIMINATION

As an equal education institution and equal opportunity employer, the College does not discriminate on the basis of race, color, national origin, religion, age, sex, sexual orientation, gender, gender identity, disability, genetic information, or veteran status. Authorization To Use Title IV To Pay For Other Educationally Related Charges

- Federal student financial aid can only cover “institutional charges” vs. "non-institutional charges" as defined by the U.S. Department of Education - Federal Student Aid Handbook 2016-2017, Volume 4 Processing Aid and Managing FSA Funds, Chapter 2- Disbursing FSA Funds, Institutional Charges. This definition includes current year charges for tuition and fees, and on-campus room and board, and other educational expenses that are paid to the school directly; it also includes other fees such as: lab fees, registration fees, and other specialized departmental or college fees associated directly
with taking a class. A charge does not have to appear on a student's account to be considered an institutional charge. *Unless authorization is received by the student, federal financial aid cannot be used to cover non-institutional charges such as, but not limited to: library fines, parking fines, parking permit fees, returned check fees, installment plan processing fees, repeat fees, or any other charges not directly associated to taking a class.*

- Students may choose to opt-in to provide authorization to pay for non-institutional or other educationally related charges with federal financial aid, and may still owe a balance on the student account in which the class(es) may be dropped for non-payment if the outstanding balance is not secured on a payment plan. The outstanding balance may cause a “hold” for unpaid charges, which would block registration for future semesters, obtaining grades, and receiving transcripts. In addition, failure to make payment may result in the account being sent to a contracted Third Party (Collection Agency) to file an adverse report with credit bureaus. Student will be responsible for the fees of any collection agency, which may be based on a percentage at a maximum of thirty percent of the debt, and all costs and expenses, including reasonable attorney's fees, late fees, interest and/or court costs, incurred with the collection of any monies due to the College. Fees will be assessed regardless of payment method.

**Admittance to Class**

Transcripts, grades, or information about the student will not be released until such debts are paid.

- Any unpaid and outstanding balance(s) may be forwarded within 60-90 days after the semester has ended to a contracted Third Party (Collection Agency) to reflect the student's credit worthiness. The student will be responsible for the fees of any collection agency, which may be based on a percentage at a maximum of thirty percent of the debt, and all costs and expenses, including reasonable attorney's fees, late fees, interest and/or court costs, incurred with the collection of any monies due to the College.

- Bankruptcy: College tuition, fees and other charges are a debt incurred for educational purposes and are considered a Qualified Educational Loan as defined in section 221 (D)(1) of the Internal Revenue Code. Therefore this debt is not dischargeable pursuant to United States Bankruptcy Section 523(a)(8) and may not be dischargeable in bankruptcy. In addition, student may still owe the debt to the college after the bankruptcy.

This also applies to student accounts that have a remaining outstanding balance and are under financial aid or are being sponsored by a third party, i.e., Texas Rehabilitation Commission, employer or any other source.

Student will be responsible for the fees of any collection agency, which may be based on a percentage at a maximum of thirty percent of the debt, and all costs and expenses, including reasonable attorney's fees, late fees, interest and/or court costs, incurred with the collection of any monies due to the College. Fees will be assessed regardless of payment method.

• Financial Aid credits may be applied to any prior term balances. It is the student's responsibility to follow up on any unpaid balances; and have to be paid by the student directly. Incidental fees are billed by each institution at its regularly authorized rates. "Class day" refers to South Texas College's scheduled class day, not the students' class meeting days.
Appropriate refunds will be determined by payment method and will be issued either by mail to the student’s address on file at the Enrollment Center, or by credit card.

**FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT (FERPA)**

The Family Educational Rights and Privacy Act and the Texas Open Records Act are federal and state laws, respectively, that provide for the review and disclosure of academic records. In accordance with these laws, South Texas College will not permit access to or the release of personally identifiable information contained in academic records to any party without the written consent of the student, except:

- to appropriate South Texas College officials, who require access to academic records in order to perform their legitimate duties, which means the information or records requested is relevant and necessary to accomplish a task or make a determination, and the task or determination is an employment-related responsibility of the inquirer or is a properly assigned duty for the inquirer.
- to officials of other schools in which the student seeks or intends to enroll, upon request of these officials, and upon the condition that the student be notified and receive a copy of the record, if desired.
- to federal, state or local officials or agencies authorized by law.
- in connection with a student’s application for or receipt of financial aid.
- to accrediting agencies or organizations conducting educational studies, provided that these entities do not release personally identifiable data.
- to the parents of a dependent student, as defined in section 152 of the Internal Revenue Code of 1954, provided a reasonable effort is made to notify the student in advance.

As permitted under section 99.34 (a)(1)(ii) of the Family Educational Rights and Privacy Act of 1974 as amended, and upon request of The University of Texas Rio Grande Valley, South Texas College will forward academic records for students who seek or intend to enroll at UTRGV.

**Health Insurance Portability and Accountability Act (HIPAA)**

The HIPAA Privacy Rule requires covered entities to protect individuals’ health records and other identifiable health information by requiring appropriate safeguards to protect privacy, and setting limits and conditions on the uses and disclosures that may be made of such information without student’s authorization. The rule also gives students rights over their health information, including rights to examine and obtain a copy of their health records, and to request corrections.

**Where FERPA and HIPAA May Intersect**

When a school provides health care to students in the normal course of business, such as through its health clinic, it is also a “health care provider” as defined by HIPAA. If a school also conducts any covered transactions electronically in connection with that health care, it is then a covered entity under HIPAA. As a covered entity, the school must comply with the HIPAA
Administrative Simplification Rules for Transactions and Code Sets and Identifiers with respect to its transactions.

However, many schools, even those that are HIPAA covered entities, are not required to comply with the HIPAA Privacy Rule because the only health records maintained by the school are “education records” or “treatment records” of eligible students under FERPA, both of which are excluded from coverage under the HIPAA Privacy Rule. See the exception at paragraph (2)(i) and (2)(ii) to what is considered “protected health information” (PHI) at 45 CFR § 160.103. In addition, the exception for records covered by FERPA applies both to the HIPAA Privacy Rule, as well as to the HIPAA Security Rule, because the Security Rule applies to a subset of information covered by the Privacy Rule (i.e., electronic PHI). Information on the HIPAA Privacy Rule is available at: http://www.hhs.gov/ocr/hipaa/.

CLASSROOM EXPECTATIONS

Class Attendance and Participation

Class attendance and participation are essential to student success. Regular and punctual class attendance is expected at South Texas College. Student absences will be recorded from the first day the class meets. It is imperative that students attend on the first day of class. This is when the course syllabus, schedule, deadlines, and class expectations will be discussed.

In case of absence, it is the student's responsibility to contact the instructor prior to the absence. The student is expressly responsible for any work missed regardless of the cause of the absence. The student must discuss such work with the instructor and should do so immediately on returning to school. Communication between the student and faculty member is most important, and it is the student's responsibility to initiate such communication. The faculty member will determine, based on policies outlined in the course syllabus, whether the student will be permitted to make up work and will decide on the time and nature of the makeup. If a student does not appear at the prearranged time or meet the prescribed deadline for makeup work, they forfeit their rights for further makeup of that work. A student who stops attending class for any reason should contact the faculty member and the Admission’s office to officially withdraw from the class. Failure to officially withdraw may result in a failing grade for the course.

The following attendance guidelines will apply. Some departments or divisions may have stricter policies:

- A student in an on-campus course missing a cumulative of 10 percent (10%) of the class meetings may be dropped by the faculty member in accordance to the policy or policies outlined in the course syllabus.
- A student in an online course is required to successfully complete the online course orientation, if applicable, and actively participate in the course as described in the faculty member’s course requirements. A student not meeting these requirements may be dropped in accordance to the policy outlined in the course syllabus.
- A student’s absence on official school business is entitled to make up coursework missed but should contact the faculty member prior to scheduled absence to make proper arrangements on course work that will be missed.
- In addition to published guidelines related to attendance, faculty may drop a student prior to the withdrawal deadline when the faculty member determines that the student will be unable to successfully complete the course.

**TITLE IX AND PREGNANCY RELATED ABSENCES**

South Texas College does not discriminate against any student on the basis of pregnancy, parenting or related conditions. Pregnant or parenting students seeking accommodations should contact Counseling and Student Disability Services immediately at 956-872-2173 or disability@southtexascollege.edu. You may refer to Policy 4216 Harassment, Discrimination, and Sexual Misconduct at https://admin.southtexascollege.edu/president/policies/pdf/4000/4216.pdf.

Under Title IX of the Education Amendments of 1972, and its implementing regulation at 34 C.F.R. Part 106 (Title IX), schools must excuse absences for students who are pregnant, who give birth, who are parenting, or who experience a related condition for as long as that student’s doctor determines is necessary. At the conclusion of that period, the student must be given a reasonable amount of time to make up the work they missed.

**Course Syllabus**

A syllabus is a document that an instructor distributes to provide students with an overview of a college course. The syllabus is usually distributed on the first day of class and contains the following information:

- Course name and meeting times
- Name of instructor and their contact information
- Expectations for behavior
- Attendance policies
- Required texts and topics and chapters covered
- Test dates and other relevant dates
- Grading policy
The syllabus is your key to success. Make sure you read the syllabus completely and refer to it regularly.

**GRADING POLICIES**

**Instructor of Record**

South Texas College’s policies, procedures, and practices are all clear regarding the instructor of record as the sole individual authorized to issue grades. The instructor of record is responsible for maintaining the academic rigor of each class, ensuring that the course syllabus is followed, assessing the skills and competencies of each student, and issuing appropriate grades.

According to STC Policy 3312, “the primary responsibility for assigning grades in a course belongs to the faculty member, and in the absence of compelling evidence of discrimination, differential treatment, or procedural irregularities, the judgment of the faculty member responsible for the course must remain determinant.”

Faculty bears a heavy responsibility in the issuance of grades. A faculty member may not independently accept grades from another faculty member for students in his/her classes. No individual, except the instructor of record, is allowed to make grade changes or to influence the grading process.

**Guidelines for Issuing a Grade of "I" (Incomplete)**

When a faculty member issues a grade of “I” (Incomplete), documentation should be provided to both the student and the faculty member's department/program chair which includes the following:

- The student's name, A#, and contact information
- The faculty member's name
- The course, section number, and semester for which the I is being awarded
- A brief explanation of the reason for which the I is being awarded
- A summary of the coursework already completed by the student, and the grades, points, and/or scores earned and recorded for that work
- A summary of the coursework still required from the student in order to merit a change of grade from an I to a letter grade (A, B, C, D, F), and the relative weight of each pending item toward the final course grade
- The date by which all of the coursework needs to be completed by the student

All of the above should be contained on a single form, with signature lines for the student, the faculty member, and the faculty member's department/program chair, each of whom should receive a copy.
A copy of the course syllabus, or section outline, specific to the section in which the student is enrolled, should also be attached.

http://admin.southtexascollege.edu/president/policies/pdf/3000/3310.pdf

Grade Changes Refer to Board Policy 3312

If a student requests a grade change in writing, justifying the change, and the instructor agrees to change the grade, the instructor should fill out a Change of Grade Form obtained from the Office of Admissions and Records and attach it to the request. The Dean must approve changes made later than one year after the end of the semester in which the course was taken. Grade changes must be made within 30 days to affect scholastic probation status.

If an instructor initiates a grade change, the instructor must fill out a Change of Grade Form within obtained from the Enrollment Center. (Refer to Appendix N for Change of Grade Form)

On-Line Grade Submission

Instructors submit grades on-line and should observe the deadlines indicated on the final examination schedule. Students receive an “I” for incomplete when grades are not submitted on time, or when a student is not issued a grade. The instructor is then required to complete a Change of Grade Form for each student to correct the transcript file.

While college policy prohibits the public posting of final grades, students may get their grades on-line at any College computer lab or kiosk after grades have been posted to the system, and each student will receive a grade mailer if they do not have a hold. Do not tell students to call the Enrollment Center or the faculty secretary for grade results; grades cannot be given out by phone. A copy of grade book sheets with grade weighting and attendance rosters should be given to the chairperson at the end of each semester. If teaching at an off-campus location, these can be turned in to the Site Coordinator. This information must on file for questions concerning grades.

Dual Credit Faculty Responsibilities when Teaching a STC Dual Credit Course Curriculum, Course Competencies, and Teaching Requirements

• Dual Credit faculty will develop the course outlines or syllabi, including the following: a description of content, teaching strategies, performance measures, grading standards, resource materials, objectives/outcomes, and course calendar. The syllabus must be reviewed and approved by the STC Department Chair of the discipline within the first week of instruction;
• Dual Credit faculty will complete all STC departmental requirements such as diagnostic tests and Student Learning Outcomes/Exemplary Educational Objectives (for appropriate courses);
• Dual Credit faculty will teach the course. Because of the Texas Higher Education Coordinating Board and the Southern Association of Colleges and Schools, if a Dual Credit
faculty is unable to teach the course, arrangements must be made by contacting the Department Chair prior to absence;

- Dual Credit faculty will advise students concerning their academic progress prior to the last day to drop/withdraw from STC;
- Dual Credit faculty will assign the student a letter grade for STC through JagNet. Once grades are entered into JagNet, grades can only be changed as a result of an error in the grade issued, an error in processing the grade, or in the instance with an “Incomplete” grade, student completion of course requirements. A grade change form should be submitted to the Department Chair. Should a Dual Credit faculty member continue instruction beyond the STC semester, the grade reported to the high school might differ as the grade might include additional work or work differing from the requirements of the college course;
- Dual Credit faculty will provide the Chair of the Department at STC, as requested, a copy of the grade sheet for the class showing all exam scores, the term paper score (if any), the final exam score, and the final course grade;
- Dual Credit faculty will participate in aligning the high school and college course competencies with the assigned STC Program Chair;
- Dual Credit faculty will attend STC planning meetings and staff development activities, including dual enrollment training workshops; and
- Dual Credit faculty will assist in the identification of potential dual enrollment students.

Dual Credit Students and the South Texas College Code of Conduct

Dual credit students are subject to discipline and appropriate sanctions, ranging from verbal or written warning to suspension and expulsion from South Texas College and all related programing, under the South Texas College Student Handbook and Code of Student Conduct.

The Code of Student Conduct is an articulation of South Texas College’s commitment to maintaining an environment that recognizes and supports the rights of its students, while providing a guide for defining behaviors the College considers inappropriate. Dual credit students who are found in violation of the Code of Student Conduct and are sanctioned, suspended or expelled from South Texas College, will be removed from the dual credit course and the district may place them in regular high school credit courses or at a traditional high school setting.

Procedures, including a list of violations, potential sanctions and a list of individual rights for each student are list in the South Texas College Student Handbook, Chapter 2, Code of Student Conduct.

Further, South Texas College and the Office of Student Rights and Responsibilities reserves the right to refer cases to the Behavioral Intervention Team for review and threat assessment to assist in determining if the dual credit student poses a continuing or significant risk to the safety or well-being to the South Texas College campus community.

**STUDENT APPEAL OF COURSE GRADES**

Students at South Texas College have the right to appeal final course grades which they consider manifestly unjust or erroneous, as outlined in South Texas College Policy Number 3312.

The primary responsibility for assigning grades in a course belongs to the faculty member, and in the absence of compelling evidence of discrimination, differential treatment, or procedural irregularities, the judgment of the faculty member responsible for the course must remain determinant.

No grade appeals will be accepted with the desired resolution being anything other than a change of grade. Complaints and grievances must follow the procedures outlined in South Texas College Policy #3313 – Student Grievance or Complaint.

The student is expected to follow the appropriate procedures as outlined in this document. Deviating from the approved grade appeal process includes skipping steps in the process, continuing to contact college staff regarding your appeal after the appeal process is complete, or any other activity outside the approved grade appeal process.

Group appeals will not be considered. Students must file appeals individually.

If the student fails to comply with the designated time frames (as outlined below in Steps 1, 2, and 3 the appeal process may be terminated. If terminated, the student will not be allowed to begin the process again or to appeal outside the approved South Texas College grade appeal process. Only under conditions warranting exception will the time constraint for initiating the grade appeal process be extended. Exceptions might include unexpected call to military service, extreme health issues and severe life disruption. Exceptions to the time constraint require verifiable documentation.

The Office of Admissions & Records staff will explain and clarify College policies and procedures while encouraging all parties to follow the approved policies and procedures.

To appeal a grade, the following procedures must be observed:

**Step 1**

It is the responsibility of the student to initiate the grade appeal process by contacting the appropriate faculty member no later than 30 calendar days after the end of the semester in which the grade was issued.
1. The student is required to provide notice in writing to the faculty member that they are appealing their grade.

2. The faculty member is required to meet with the student that has initiated an appeal of course grades. If the student is not living within the service delivery area of STC, communication can be electronic. The student is required to present the South Texas College Grade Appeal form to the faculty member. Appeals submitted without using the approved form will not be heard. The burden of proof lies with the student and it is the student’s responsibility to provide evidence that the grade should be changed.

3. The faculty member may choose to deny the appeal, approve the appeal or work with the student to reach a solution that is agreeable to both parties.

4. If the faculty member is not currently teaching, is no longer employed at South Texas College, or the student is simply unable to reach the faculty member; the student must contact the appropriate Division Dean no later than 30 calendar days after the end of the semester in which the grade was issued to initiate the grade appeal process.
   
   a. If the faculty member is still employed at South Texas College but not currently teaching, the Division Dean will attempt to contact the faculty member to address the issue. If they are unable to reach the faculty member, the grade appeal will be delayed until the faculty member returns to teach, as long as the faculty member returns no later than the next full (fall or spring) semester.

   b. If the faculty member is no longer employed at South Texas College or is not scheduled to return for the next full (fall or spring) semester, the student will advance to Step 3 of the grade appeal process. If the student wishes to continue the Grade Appeal Process, it is their responsibility to contact the Office of Admissions & Records no later than 15 calendar days from the date of being notified that the faculty member is no longer available.

5. Once a decision is reached by the faculty member, the faculty member will note the decision on the Grade Appeal Form, sign the form, and return the completed form to the student. The student is responsible for submitting the completed form to the Office of Admissions & Records.
   
   a. The faculty member should maintain a completed Grade Appeal Form for their records.

   b. If necessary, the faculty member must submit a signed Change of Grade form to the appropriate Department Chair/Dean within 15 calendar days. The Department Chair/Dean must forward a signed change of grade form to the Office of Admissions & Records and Records within 15 calendar days.
6. If the student appeal is denied, the student will then have 15 calendar days to initiate Step 2 of the Grade Appeal process.
Step 2

If speaking with the faculty member does not resolve the issue to the student’s satisfaction, it is the responsibility of the student to continue the grade appeal process by contacting the Office of Admissions & Records no later than 15 calendar days from the date Step 1 is completed.

1. The student must submit the South Texas College Grade Appeal Form with the signature of the faculty member to the Office of Admissions & Records to document they completed Step 1 of the grade appeal process.

http://academicaffairs.southtexascollege.edu/grade_appeals/pdf/Grade_Appeal_Form.pdf

2. The student must submit their grade appeal in writing to the Office of Admissions & Records. The burden of proof lies with the student and it is the student’s responsibility to provide evidence that the grade should be changed.

3. The Office of Admissions & Records will forward the written appeal to the appropriate Division Dean for review.

4. Upon receiving the grade appeal, the Division Dean will consult with the Department Chair and faculty member to attempt to resolve the dispute. The Division Dean may not initiate a grade change without consent from the faculty member.

5. Once a decision is reached, the Division Dean will notify the Office of Admissions & Records and the Office of Admissions & Records will advise the student regarding the outcome.

   a. If the solution offered is accepted by the student, the Division Dean and faculty member will be informed in writing by the Office of Admissions & Records.

   b. If the student is not satisfied with the resolution offered by the Division Dean and faculty member, the student will then have 15 calendar days to initiate Step 3 of the Grade Appeal process.

Step 3 - Final Review

If the student does not accept the decision or solution offered by the Division Dean and faculty member from Step 2, it is the responsibility of the student to continue the grade appeal process by contacting the Office of Admissions & Records no later than 15 calendar days from the date Step 2 is completed.

1. The student must inform the Office of Admissions & Records that they wish to progress to Step 3 of the grade appeal process. The Office of Admissions & Records will then forward the written appeal to the Vice President for Academic Affairs.
2. The Vice President for Academic Affairs will request written responses from the faculty member and Division Dean.

3. The Vice President for Academic Affairs will convene the South Texas College Grade Appeal Committee. The Grade Appeal Committee consists of two faculty representatives from each of the instructional divisions. The chair of the committee will be selected from the faculty on the committee. To meet quorum, a minimum of six committee members must be present at the meeting.

4. The Grade Appeal Committee’s responsibility will be:
   a. To review the student's written appeal and evidence.
   b. To consider all written responses addressed towards the complaint.
   c. To call any witnesses, if appropriate, to corroborate documentary evidence directly related to the specific grade being appealed. If summoned, the student, faculty member, Program Chair or Division Dean may decline in writing to testify.
   d. To inform the Vice President for Academic Affairs of their recommendation. The Grade Appeal Committee may recommend:
      * letting the grade stand
      * initiating a grade change by submitting a grade change form to the VP for Academic Affairs
      * offering a solution of having the student withdraw from the class or being dropped without consent from the faculty member, Program Chair or Division Dean.

5. The Vice President for Academic Affairs will communicate the final decision in writing, to the student, faculty member, Program Chair, Division Dean and Office of Admissions & Records. This step concludes the approved South Texas College Grade Appeal Process.

Texas law imposes penalties for individuals who have sex with someone under age 17, but penalties may be relaxed when that person is not more than 3 years older than the minor.

*Bystander* - a person who observes a conflict or unacceptable behavior. The behavior may be serious or minor, one-time or repeated, but the Bystander should recognize that the behavior is destructive or potentially harmful.

*Coercion* – Coercion is unreasonable pressure for sexual activity. Coercive behavior differs from seductive behavior based on the type of pressure someone uses to get consent from another. When someone makes clear to you that they do not want sex, that they want to stop, or that they do not want to go past a certain point of sexual interaction, continued pressure beyond that point can be coercive.

*Conduct Violations* - Actions or behaviors listed within the Code of Student Conduct that violate the behavioral standards of the college community.

*Consent* - Consent for sexual activity is clear, knowing and voluntary. Consent is active, not passive. Silence, in and of itself, cannot be interpreted as consent. Consent can be given by words or actions, as long as those words or actions create mutually understandable clear permission regarding willingness to engage in (and the conditions of) sexual activity.

- Consent to any one form of sexual activity cannot automatically imply consent to any other forms of sexual activity.
- Previous relationships or prior consent cannot imply consent to future sexual acts.
- In order to give effective consent, one must be of legal age.

**NOTE:** There is no requirement that a party resist the sexual advance or request of another, but resistance is a clear demonstration of non-consent. The absence of resistance does not demonstrate the absence of force or the presence of permission. Forced sexual activity is considered non-consensual unless force is explicitly consented
to. Not all non-consensual sexual activity is by definition "forced," based on the definition below.

**College Administrator** - All College Executive and Administrative staff members as defined by the office of Human Resources.

**College Community** - All South Texas College faculty, staff, board members, students and guests of the College.

**Expulsion** - The permanent removal and/or separation from the South Texas College for violations of the Code of Student Conduct and/or colleges Title IX policy. The student is banned from College property and the student’s presence at any College-sponsored activity or event is prohibited. This action may be enforced with a trespass action as necessary.

**Expunging Conduct Records** - Expunging is a process in which a determination has been made by the Dean Student of Student Support Services, their designee or an Ad Hoc Hearing Panel that a conduct record be set for destruction; this most often occurs when a student who is alleged to have violated that Code of Student Conduct is found Not In Violation at the conclusion of the Student Conduct Hearing, and at the written request of that student. This process would include the destruction of all records pertaining to the student conduct proceeding. Conduct Records that are expunged are either destroyed, or deleted.

**Firearm** - means any device designed, made, or adapted to expel a projectile through a barrel by using the energy generated by an explosion or burning substance or any device readily convertible to that use.

**Force** – Force is the use of physical violence and/or imposing on someone physically to gain sexual access. Force also includes threats, intimidation and/or implied threats and/or coercion that overcomes resistance or produces consent.

- Example one: “Have sex with me or I'll make you.” Response: “Okay”.
- Example two: "You're making this difficult. It's going to hurt more if you don't cooperate." Response: Silence while thinking, "I just want this over."

**Gambling** - Gambling as prohibited by the laws of the State of Texas. (Gambling may include raffles, lotteries, sports pools and online betting activities. For more information, see Student Handbook.

**Hazing** - Defined as an act that endangers the mental or physical health or safety of a student, or that destroys or removes public or private property, for the purpose of initiation, admission into, affiliation with, or as a condition for continued membership in a group or organization. Participation or cooperation by the person(s) being hazed does not excuse the violation. Failing
to intervene to prevent (and/or) failing to discourage (and/or) failing to report those acts may also violate this policy. For more information, see Student Handbook.

**Hostile Environment** – Conduct, on the basis of protected class status, that is so severe or pervasive (or persistent), and objectively offensive that it deprives a member of the College community of educational or employee access, benefits, or opportunities.

**Incapacitation** - Incapacitation is a state where a person cannot make rational, reasonable decisions because they lack the capacity to give knowing consent (e.g., to understand the "who, what, when, where, why or how" of their sexual interaction). Consumption of alcohol or drugs alone is insufficient to establish incapacitation. The question of incapacitation is determined on a case-by-case basis by assessing the decision-making capacity of the reporting party during the interaction. It will include an analysis of whether the responding party knew, or should have known, that the reporting party was incapacitated, or whether the responding party played a role in creating the circumstance of incapacity.

- Sexual activity with someone whom one knows to be or based on the circumstances should reasonably have known to be mentally or physically incapacitated by alcohol or other drug use constitutes a violation of this policy. Whether someone should have known is assessed by the reasonable person standard.
- This policy also covers a person whose incapacity results from mental disability, sleep, involuntary physical restraint, or from the taking of rape drugs if the responding party knew, or should have known, of the incapacitating condition or was the cause thereof.
- Possession, use and/or distribution of any of these substances, including but not limited to Rohypnol, Ketamine, GHB, Burundanga, etc., is prohibited, and administering one of these drugs to another student is a violation of this policy.

**Interim Suspension** - The temporary removal of an individual from the college community, including access to staff, functions, events and services of the college, until the completion of a formal investigation and the resolution of any alleged violations of the Code of Student Conduct.

**Intimate Partner Violence (also called domestic and/or dating violence)** – Violence and/or emotional abuse between those who are in, or who have been in, an intimate relationship with each other.

**Intimidation** – An implied threat that would make a reasonable person feel fear.

**Investigation** - The detailed inquiry into alleged violations of the Code of Student Conduct. This may include review of documents or video, interviewing the parties, and potential witnesses.

**Conduct Hold** - Restricted ability to register for course at the college, without the permission of the Office of Student Conduct.
Non-Consensual Sexual Contact - is any intentional sexual touching, however slight, with any object, by one person upon another, that is without consent and/or by force.

Sexual Touching includes:

- Intentional contact with the breasts, groin, or genitals, mouth or touching another with any of these body parts, or making another touch you or themselves with or on any of these body parts; or
- Any other bodily contact in a sexual manner.

Non-Consensual Sexual Intercourse - is any sexual intercourse however slight, with any object, by one person upon another, that is without consent and/or by force.

Sexual Intercourse includes:

- Vaginal or anal penetration by a penis, tongue, finger or object, or oral copulation (mouth to genital contact) no matter how slight the penetration or contact.

Office of Student Conduct - The Office of Student Conduct enforces South Texas College policies to promote a safe and supportive learning environment that treats each student fairly, equally, and with respect. The Office of Student Conduct nurtures student learning and growth by encouraging student accountability, academic integrity and responsible decision-making.

Physical Abuse - is an act of a person involving contact of another person intended to cause feelings of physical pain, injury, or other physical suffering or bodily harm.

Preponderance of the Evidence - also known as balance of probabilities is the standard required in the College’s conduct process. The standard is met if the proposition is more likely to be true than not true, if there is greater than 50 percent chance that the proposition is true or "more likely than not."

Probation - The supervised monitoring of an individual, by the Office of Student Conduct, who have been found to have violated the Code of Student Conduct and required to complete conduct sanctions within a prescribed period of time.

**Reasonable Person** - a composite of a relevant community's judgment as to how a typical member of the community should or would behave in the same or similar circumstances to a person whose decisions/behaviors are being subject to evaluation.

**Reporting Party** – the person or persons alleging a violation of the Code of Student Conduct.

**Responding Party** – the person or persons who have allegedly violated the Code of Student Conduct.

**Sanction** – Penalties, education, or corrective actions imposed on a student for violating the Code of Student Conduct that are intended to correct inappropriate behavior and ensure future compliance.

**Sensitive Imaging** - Images, photos, videos or other materials that depict nude or partially nude individuals take or obtained with or without consent.

**Service Animals (As defined by the U.S. Department of Justice, Civil Rights Division)** - Service animals are animals that are individually trained to perform tasks for people with disabilities such as guiding people who are blind, alerting people who are deaf, pulling wheelchairs, alerting and protecting a person who is having a seizure, or performing other special tasks. Service animals are working animals, not pets. Under the Americans with Disabilities Act (ADA), businesses and organizations that serve the public must allow people with disabilities to bring their service animals into all areas of the facility where customers are normally allowed to go. This federal law applies to all businesses open to the public, including restaurants, hotels, taxis and shuttles, grocery and department stores, hospitals and medical offices, theaters, health clubs, parks, and zoos.

**Sexual Exploitation** - occurs when a student takes non-consensual or abusive sexual advantage of another for his/her own advantage or benefit, or to benefit or advantage anyone other than the one being exploited, and that behavior does not otherwise constitute one of other sexual misconduct offenses. Examples of sexual exploitation include, but are not limited to:

- invasion of sexual privacy;
- prostituting another student;
- non-consensual video or audio-recording of sexual activity;
- going beyond the boundaries of consent (such as letting your friends hide in the closet to watch you having consensual sex);
- engaging in voyeurism;
- knowingly transmitting an STI or HIV to another student;
- exposing one's genitals in non-consensual circumstances;
- inducing another to expose their genitals;
• sexually-based stalking and/or bullying may also be forms of sexual exploitation

Sexual Harassment - is unwelcome conduct of a sexual nature, or that is sex- or gender-based. Sexual Misconduct - Encompasses a range of behaviors that includes, but is not limited to, sexual harassment, intimate partner violence, stalking, non-consensual sex intercourse, non-consensual sexual contact, and sexual exploitation.

Student - For the purposes of student conduct, the College considers any individual to be a student who is assigned a Student ID Number (A00000000), is enrolled in a course (for credit or non-credit course work) and as long as the individual has a continuing educational interest in the College.

Section 1: Mission and Vision Statement

South Texas College Vision Statement:

South Texas College will be a global model in educational innovation serving as a catalyst to drive regional prosperity, economic development, and the social mobility of those we serve.

Office of Student Conduct Vision Statement:

The Office of Student Conduct at South Texas College is committed to fostering a campus environment that is conducive to academic inquiry, a productive campus life and thoughtful study and discourse. The Office of Student Conduct is committed to an educational and developmental process that balances the interests of individual students with the interests of South Texas College.

Section 2: Introduction to the Code of Student Conduct

The Code of Student Conduct is an articulation of South Texas College’s commitment to maintaining an environment that recognizes and supports the rights of its students, while providing a guide for defining behaviors the College considers inappropriate. When students fail to act in accord with the rules and regulations of the South Texas College community the College holds them accountable for their actions.

The purpose of the student conduct system is not to punish students for transgressions, but to use progressive discipline to help them understand and accept their obligations as citizens of an academic community. Sanctions for violations of the Code of Student Conduct are intended to be educational in nature.

The Office of Student Conduct has primary and sole authority and responsibility for the administration of student discipline at the College. No other department or unit of the College may impose discipline on students independent of the College’s Conduct Process, except for enforcing standards of professionalism and academic integrity.

South Texas College Policy 3650, Student Conduct and Discipline:

Section 3: Jurisdiction

Students at South Texas College are provided a copy of the Code of Student Conduct annually in the form of a link on the South Texas College website. Hard copies are available upon request from the Office of Student Conduct. Students are responsible for having read and abiding by the provisions of the Code of Student Conduct.

The Code of Student Conduct and the Administrative Student Conduct Process apply to the conduct of individual students, and all College-affiliated student organizations. For the purposes of student conduct, the College considers any individual to be a student who is assigned a Student ID Number (A00000000), is enrolled in a course (for credit or non-credit course work) and as long as the individual has a continuing educational interest in the College. The Office of Student Conduct is unable to sanction non-students, but may work with other offices and law enforcement to impose appropriate restrictions when necessary.

The College retains conduct jurisdiction over students who choose to take a leave of absence, withdraw or have graduated, for any misconduct that occurred prior to the leave, withdrawal or graduation. If sanctioned, a hold may be placed on the student’s ability to re-enroll, to obtain official transcripts or to graduate, and all sanctions must be satisfied prior to re-enrollment eligibility. In the event of serious misconduct alleged to have occurred while a student was still enrolled but reported after the student has graduated, the College reserves the right to invoke these procedures and should the former student be found responsible, the College may revoke that student’s degree.

The Code of Student Conduct applies to behaviors that take place on the campus, at College-sponsored events and may also apply to off-campus incidents when the Dean of Student Affairs or designee determines that the off-campus conduct affects a substantial College interest. A substantial College interest is defined to include:

Any situation where it appears that the student’s conduct may present a danger or threat to the health or safety of him/herself or others; and/or

Any situation that significantly impinges upon the rights, property or achievements of self or others or significantly breaches the peace and/or causes social disorder; and/or

Any situation that evidences criminal behavior and/or is detrimental to the educational mission and/or interests of the College;

The Code of Student Conduct may be applied to behavior conducted online, via email or any other electronic medium. Students should also be aware that online postings such as blogs, web postings, chats and social networking sites are in the public sphere and are not private. These postings can subject a student to allegations of conduct violations if evidence of policy
violations is posted online. The College does not regularly search for this information but may take action if and when such information is brought to the attention of College officials.

Please note that most online speech by students not involving College networks or technology will be protected as free expression and not subject to this Code, with two notable exceptions:

A true threat, defined as “a threat a reasonable person would interpret as a serious expression of intent to inflict bodily harm upon specific individuals”;

Speech posted online about the College or its community members that causes a significant on-campus disruption.

The Code of Student Conduct applies to guests of community members whose hosts may be held accountable for the misconduct of their guests. The Code may also be applied to resident non-students, campers and high school bridge/extension/partner/dual-credit and continuing education programs by contractual agreements. Visitors to and guests of College may seek resolution of violations of the Code of Student Conduct involving members of College community.

There is no time limit on reporting violations of the Code of Student Conduct; however, the longer someone waits to report an offense, the harder it becomes for College officials to obtain information and witness statements and to make determinations regarding alleged violations.

Though anonymous allegations are permitted, doing so may limit the College’s ability to investigate and respond to a complaint. Those who are aware of misconduct are encouraged to report it as quickly as possible to the Office of Student Conduct and/or to Campus Police and Public Safety.

A responding party facing an alleged violation of the Code of Student Conduct may withdraw from the College with permission of the Dean of Student Services; however, the Administrative Conduct Process will typically continue as outlined within this document. Students wishing to withdraw must follow the College’s stated withdrawal policy and may be subject to the College’s refund policy. Once the Administrative Student Conduct Process is completed, if the former student is sanctioned, the former student must complete the sanctions before becoming eligible to re-enroll, if at all.

College email is the primary means of communication with students by the Office of Student Conduct and the College. Students are responsible for all communication delivered to their College email address.

The Code of Student Conduct and Student Conduct Process outline the community standards and resolution process applicable to students and student organizations at South Texas College. The Code of Student Conduct applies to all College-sponsored events, activities, trips, etc., which may occur on- or off-campus. Any student who violates the Code of Student Conduct and/or
breaks the law is subject to College, civil, and/or criminal authorities. The College, at its sole discretion, may pursue disciplinary action involving a student while the student is also subject to criminal proceedings. The College reserves the right to proceed with an Administrative Hearing even if criminal charges are pending, reduced, or dismissed.

The South Texas College Student Judicial Process is the responsibility of the Vice President for Student Affairs and Enrollment Management and the Dean of Student Affairs. The Dean of Student Services and the Director of Student Conduct or designee of the Office of Student Conduct is responsible for the day-to-day operation and administration of the Student Judicial Process. The Director or designee will develop policies and procedures for the administration of the Student Judicial Process, which includes procedural rules for conducting investigations and hearings. The Director or designee, in consultation with appropriate College officials and students, will revise and update all regulations and processes; conduct training sessions for investigators, hearing officers and decision-makers; and manage and maintain all student disciplinary records.

**Parental Notification**

South Texas College and the Office of Student Conduct reserve the right to notify parents/guardians of dependent students regarding any health or safety risk, change in student status or conduct situation, particularly alcohol and other drug violations. South Texas College and the Office of Student Conduct may also notify parents/guardians of non-dependent students who are under age 21 of alcohol and/or drug policy violations.

Where a student is not dependent, South Texas College and the Office of Student Conduct will contact parents/guardians to inform them of situations in which there is a significant and articulable health and/or safety risk or with the consent of the student. South Texas College and the Office of Student Conduct also reserve the right to designate which college officials have a legitimate educational interest in accessing student conduct records pursuant to the Family Educational Rights and Privacy Act (FERPA).

**Notification of Outcomes**

The outcome of a Student Conduct Hearing is part of the education record of the responding party and is protected from release under FERPA, except under certain conditions. As allowed by FERPA, when a student is accused of a violation of the Code of Student Conduct or a South Texas College policy that would constitute a “crime of violence” or forcible or non-forcible sex offense, the College will inform the reporting party in writing of the final results of the process regardless of whether the College concludes that a violation was committed. Such release of information will typically only include the responding party’s name, any violation committed, and the sanctions assigned, when applicable. In cases of sexual misconduct and other offenses covered by Title IX, only, the rationale for the outcome
will also be shared with all parties in addition to the finding and sanction(s), and will be delivered to the parties without significant delay between notifications. The notice of outcome will also detail whether the determination is final, any changes that may be made before it becomes final, and an appeal rights that are available.

In cases where the College determines through the Administrative Student Conduct Process that a student violated a policy that would constitute a “crime of violence” or non-forcible sex offense, the College may also release the above information publicly and/or to any third party.

FERPA defines “crimes of violence” to include:

1. Arson
2. Assault offenses (includes stalking)
3. Burglary
4. Criminal Homicide - manslaughter by negligence
5. Criminal Homicide - murder and non-negligent manslaughter
6. Destruction/damage/vandalism of property
7. Kidnapping/abduction
8. Robbery
9. Forcible sex offences
10. Non-forcible sex offences

Failure to Complete or Comply with Conduct Sanctions

All students are expected to complete and/or comply with conduct sanctions within the timeframe specified by the Office of Student Conduct. Failure to follow through on conduct sanctions by the date specified, whether by refusal, neglect or any other reason, may result in additional sanctions and/or suspension from the College.

A suspension will only be lifted when compliance with conduct sanctions is satisfactorily achieved, a hold may be placed on the students account to prevent registration and graduation; the Dean of Student Affairs or their designee will make this determination.

Student Conduct Records

The Office of Student Conduct has adopted a policy with respect to student conduct records consistent with the requirements and regulations of FERPA. FERPA is a federal law that protects the privacy of student education records. FERPA places limitations on the disclosure of personally identifiable information maintained by South Texas College with respect to students and limits access to education records, including the right to access, the right to obtain copies, the right to seek correction of such records through informal and formal internal procedures, and
the right to place a statement in such educational records explaining any information which the student believes to be inaccurate or misleading.

**Behavioral Intervention Team**

The Behavioral Intervention Team at South Texas College is a highly trained panel of professionals advancing campus safety and collegiality for the South Texas College Community. The Behavioral Intervention Team at South Texas College is a district wide threat assessment and behavioral intervention team that monitors threats to the campus community and intervenes in the concerning behaviors of all individuals who work at, attend, or who have business with South Texas College.

The Office of Student Conduct, when deemed appropriate may request that the Behavioral Intervention Team complete an evaluation of an individual’s case and assign a threat level. The Behavioral Intervention Team has several tools at their disposal from which they may choose. The threat assessment may be used in determining risk factors, as well as a means of developing an overall treatment plan for the individual.

Note: Threat Assessment is never used in isolation when determining a student’s ability to remain on campus. The Office of Student Conduct uses all available information, and endeavors to make the most informed and fair decisions when making a determination to remove an individual from or allow an individual to remain on campus.

For additional information regarding FERPA, see the Family Educational Rights and Privacy Act.

South Texas College will not deny a student access to their education records; however, South Texas College reserves the right to deny a request for **COPIES** of education records, including transcripts, diplomas and certificates, unless a student is physically unable to access records where they are maintained, in which case the College will furnish copies. To request to review or receive copies of conduct records a applicable student must complete the Request to Review or Receive Copies of Student Conduct Records form.

Storage, Censor, and Viewing of Sensitive Images

The Office of Student Rights and Responsibilities - Student Conduct will strive to protect the privacy of individual parties who participate in the Student Conduct Process to the extent permitted by law. Student Conduct will also strive to treat the parties with dignity and respect.

An appropriate school administrator may possess or access the sensitive imaging, photo or video images when necessary to fulfill their assigned role in accordance with the South Texas College Code of Student Conduct and Title IX Policy and Procedures. The school administrator must take reasonable steps to prevent unnecessary viewing of and to collect and destroy, when appropriate, any remaining copies of the material within an appropriate period following the resolution of the case. Parties should be aware that the College, under its Title IX obligations maybe required to maintain some sensitive imaging, photos and videos.

Consistent with those aims, sensitive imaging, photos and videos that are maintained in a student’s conduct file will be maintained in two ways.

1. Original sensitive imaging, photos and videos received will be maintained in the form they are received and will be marked as follows:
   a. ATTENTION – Explicate Image – Contact Student Conduct Prior To Viewing (Reporting or Responding Party)

2. When feasible, a duplicate set of the sensitive imaging, photos and videos will be created using photo editing or publishing software.
   a. Sensitive or private areas will be censored (e.g.: blurred, blotted out, have a black bar placed over them) to conceal the area from view.
   
   b. These images will be available for distribution as part of the final draft of the investigation report to both parties; review by sanctioning officials, including Conduct Panels, members of the Behavioral Intervention Team (when necessary), Public Safety officials, and Title IX Administrators or personnel.

   c. Use of uncensored images, photos, videos or will be limited to the extent possible unless deemed necessary to make a final determination of the facts of the case.
d. Uncensored images, photos or videos will also be provided to Public Safety when requested in furtherance of their duties. Public Safety will maintain the privacy of such.

3. The censored and uncensored images, photos, or videos will be retained as long as the case file is maintained by the College.

Sensitive imaging, photos and videos of a child younger than 18 years of age at the time the sensitive imaging, photo or video image of the child was made shall be maintained and managed in accordance with Federal and State law.

**Expunging Student Conduct Records**

In instances where a student has been found to have violated the South Texas College Code of Student Conduct, Student Conduct Records will be retained for seven years from the date of the student's graduation or the date of last attendance at South Texas College. Student conduct records may be retained for as long as administratively valuable or permanently if the student was expelled, dismissed, suspended or blocked from reenrollment and in situations that may result in future litigation.

Allegations of sexual harassment or sexual misconduct may result in the development of a file in the reporting party’s name. This file will be retained for no less than seven years from the reporting party’s date of graduation or their date of last attendance at South Texas College. These files may be retained for as long as administratively valuable. Students who wish to have their file expunged should contact the Office of Student Conduct for assistance.

Student conduct records may be expunged for good cause upon receipt of a written request by the student. Sexual Misconduct, expulsions, and suspensions **WILL NOT** be eligible to expunge.

While student conduct records are destroyed 7 years after the final decision is delivered to a student, except as required by law, student conduct records may be expunged earlier by the Office of Student Conduct upon written request from the student by completing the Request to Expunge Student Conduct Records form.

Expunging of records is strictly a courtesy provided by the Office of Student Conduct and the Dean of Student Affairs and is not a requirement of law. Request to Expunge Student Conduct Records will only be considered for students who did not receive suspension or expulsion and whose violations were determined to have not threatened or endangered the health or safety of any person, and who have not been alleged to have committed an act of sexual misconduct.
Some factors that may be considered once a Request to Expunge Records is received include but are not limited to:

1. The present demeanor of the student.
2. The conduct of the student subsequent to the violation.
3. The nature of the violation and the severity of any damage, injury, or harm resulting from it will also be considered.
4. The input of the reporting party.
5. All sanctions must have been completed on time.
6. At the time of consideration, the student must be in good standing with the College.
7. The student MUST have graduated from South Texas College, have transferred, or have not been in attendance for 1 academic year (2 long semesters).

Steps to submit a Request to Expunge Student Conduct Records

1. To submit a Request to Expunge Student Conduct Records, students must complete the Expunge Records Request Form and provide a written statement outlining the basis for the request.
2. Student conduct records are eligible to be expunged if the incident(s) in question are minor and do not result in suspension or expulsion and where further violations would not likely result in suspension or expulsion from South Texas College.
3. A student may submit a WRITTEN request to have their records expunged 1 year after the last semester they attended South Texas College, or immediately after they have been found Not In Violation of the Code of Student Conduct, except in cases governed by Title IX or in matters related to sexual misconduct.
4. A student conduct record may be expunged upon the receipt of a Request to Expunge Student Conduct Records, in writing, to the Office of Student Conduct. Requests should be submitted to the Office of Student Conduct by completing the online Request to Expunge Student Conduct Records Form and provide a written statement outlining the basis for the request.
5. Once the Request to Expunge Conduct Records is received, the Office of Student Conduct will verify that the conduct records are eligible to be expunged. If the records are eligible to be expunged the request will then be forwarded for review by an Ad Hoc Committee to determine if it meets the criteria to expunge conduct records.
   a. The Ad Hoc Committee will review and render a decision in writing not more than 30 calendar days for the receipt of the Request to Expunge Student Conduct Records.
   b. After the meeting, the committee will issue a recommendation to the Dean of Student Affairs. The Dean of Student Affairs will provide a decision to the student, in writing, within 14 business days of receipt of the decision by the Ad Hoc Committee.
c. If the recommendation is to deny the Request to Expunge Student Conduct Records the Dean of Student Affairs will include a concise written statement that explains the basis for the decision.

d. All other requests that are not eligible to be expunged will be denied without review by Ad Hoc Committee; the student will notified, in writing, within 14 business days of that decision.

6. The Ad Hoc Committee will be appointed by the Dean of Student Affairs from a pool of trained Student Conduct Review Panel members.

7. In instances where a student has been denied, the Student Conduct Records shall be maintained by the Office of Student Conduct for 7 years after the final decision on the matter.

8. There is no appeal process for a denial of a request to Expunge Student Conduct Records.
Section 4: Violations of the Law

Alleged violations of federal, state, and/or local laws may be investigated and addressed under the Code of Student Conduct. When an offense occurs over which the College has jurisdiction, the College Administrative Student Conduct Process will usually go forward notwithstanding any criminal complaint that may arise from the same incident.

The College reserves the right to exercise its authority of interim suspension upon notification that a student is facing criminal investigation and/or complaint. For additional information on Interim Suspension please see pages 91 and 93. Interim suspensions are imposed until a hearing on the matter can be held, typically within two weeks. Students objecting to interim restrictions or suspension can request an immediate hearing with the Dean of Student Affairs to show cause why the restrictions or suspension should be limited or lifted. That decision is in the sole discretion of the Dean of Student Affairs or designee. The interim suspension may also be extended if a danger to the community is posed and the College may be delayed or prevented from conducting its own investigation and resolving the allegation because of concurrent criminal proceedings. In such cases, the College will only delay its resolution until such time as it can conduct an internal investigation or obtain sufficient information independently or from law enforcement upon which to proceed. This delay will typically be no longer than two weeks from notice of the incident unless a longer delay is necessary given the circumstances.

Students accused of crimes may request to take a leave from the College until the criminal charges are resolved. In such situations, the College procedure for voluntary leaves of absence is subject to the following conditions:

- The responding party must comply with all campus investigative efforts that will not prejudice their defense in the criminal trial; and

- The responding party must comply with all interim actions and/or restrictions imposed during the leave of absence; and

- The responding party must agree that, in order to be reinstated as an active student, they must first be subject to, and fully cooperate with, the College’s Administrative Student Conduct Process and must comply with all sanctions that are imposed.
Section 5: Conduct Violations

The College reserves the right to take necessary and appropriate action to protect the safety and interests of the College community. Such action may include administering sanctions when students violate the Code of Student Conduct or College policy, whether such violation takes place on-campus or off-campus.

Violations affecting the health and safety of members of the College community are deemed to be the most serious. Therefore; acts of violence, sexual misconduct, threats, dangerous behavior, or failure to complete prior sanctions may result in suspension or expulsion from the College. Students committing multiple acts of academic dishonesty may also face suspension or expulsion from the institution and/or a reduced or failing grade. Students with an extensive conduct history may also face suspension or expulsion as the result of progressive discipline.

College as Convener of the Student Conduct Administrative Process

South Texas College is the convener of every action under this code. Within that action, there are several roles. The responding party is the person who is alleged to have violated the Code of Student Conduct. The reporting party, who may be a student, employee, visitor, or guest, is the person alleging a policy violation, and may choose to be present and participate in the process as fully as the responding party. There are witnesses, who may offer information regarding the allegation. There is an investigator(s) whose role is to present the allegations and share the evidence or information that the College has obtained during the course of their investigation regarding the allegations.

Authority

The Dean of Student Affairs is vested with the authority over student conduct by the President of South Texas College. The Dean of Student Affairs appoints a Office of Student Conduct, to oversee and manage the student conduct process. The Dean of Student Affairs and Office of Student Conduct, may appoint investigators, administrative hearing and appeals officers as deemed necessary to efficiently and effectively supervise the student conduct process.

The Office of Student Conduct, will assume responsibility for the investigation of an allegation of misconduct to determine if the allegation has merit.

Interim Suspension and Interim Action

Under the South Texas College Code Student of Conduct, the Dean of Students or designee may impose restrictions and/or separate a student from the community pending the scheduling of a Student Conduct Hearing on alleged violation(s) of the Code of Student Conduct when, but not limited to the following:
a. a student represents a threat of serious harm to others,
b. is facing allegations of serious criminal activity,
c. to preserve the integrity of an investigation,
d. to preserve College property and/or to prevent disruption of, or interference with, the normal operations of the College.

Interim Suspension and Interim Actions can include separation from the institution or restrictions on participation in the community typically for no more than 10 business days pending the scheduling of a campus hearing on the alleged violation(s) of the Code of Student Conduct. At the end of 10 business days a hearing will be held on the alleged violation(s), or to determine if the Interim Suspension should be extended or if alternative arrangements may be implemented.

Any individuals who are separated or receive Interim Suspension or Actions may request a meeting with the Dean of Students or designee to show cause why an Interim Suspension/Actions are not merited or should be modified. Regardless of the outcome of this meeting, the College may still proceed with the scheduling of a Student Conduct Hearing.

During an Interim Suspension, a student may be denied access to the College campus, facilities, and sponsored events. As determined appropriate by the Office of Student Conduct, this restriction may include classes and/or all other College activities or privileges for which the student might otherwise be eligible. At the discretion of the Office of Student Conduct and with the approval of, and in collaboration with, the appropriate Dean(s), alternative coursework options may be pursued to ensure as minimal an impact as possible on the responding party.

If Interim Suspension is deemed appropriate, the student will immediately be removed from campus and/or College related, sponsored or supported activities, or restrictions will be imposed. Students placed on Interim Suspension may be banned from all College property, including related, sponsored or supported activities; and may be subject to arrest for trespassing if they violate this ban.

Interim Suspension and/or Interim Action should normally be imposed not later than 48 hours after the Office of Student Conduct is notified of an incident. A student placed on Interim Suspension is not permitted to return to campus until the Interim Suspension has been lifted or a Student Conduct Hearing has concluded. The Office of Student Conduct or its designee must provide the student with notice of the suspension and the alleged violations of the South Texas College Code of Student Conduct; this notice may be delivered in writing or verbally. The student will be contacted by the Office of Student Conduct to discuss the disciplinary process.

The student may request an appointment with the Office of Student and request further explanation of the alleged violations of the South Texas College Code of Student Conduct or to request that a hearing be held to lift the Interim Suspension or Interim Action. The Dean of Student Affairs may:
- Uphold the Interim Suspension or Interim Action, requiring the student to remain off campus and/or out of classes until the Administrative Hearing has concluded, where appropriate.
  - Administrative Hearings are scheduled as early as possible to avoid undue delay in a student’s return to campus.
- Lift the Interim Suspension or Interim Action(s) and allow the immediate return of the student to campus. If an Interim Suspension is lifted, Interim Actions or other restrictions may be imposed upon the returning student pending the outcome of the investigation and Student Conduct Hearing, where appropriate.

**Interim Suspension Steps**

1. The Office of Student Conduct reserves the right to impose or overturn any Interim Suspension and/or interim Action.

2. A student may be placed on Interim Suspension or Interim Action for behavior that occurs on or off campus. Campus Coordinators and the Chief of Police/Director of Campus Security **MAY REQUEST** that the Office of Student Conduct impose Interim Suspension or Interim Action.

**Interim Measures**

Interim measures are individualized actions taken by the Office of Student Conduct in an effort to stop, remedy and prevent future occurs, incidents, or behaviors that are no conducive to the mission of South Texas College. Interim measures are designed to foster a safe environment conducive to the learning and maturation of our students.

When implementing interim measures, South Texas College takes every precaution to minimize the burden on the parties. As such, South Texas College will take necessary steps to ensure equal access to its education programs and activities and to protect the parties as necessary, including taking interim measures before the final outcome of an investigation.

Upon receipt of a report the Office of Student Conduct will impose reasonable and appropriate interim measures designed to protect the parties. When imposing interim measures, the College will make a reasonable effort to communicate with the parties to ensure that all safety, emotional and physical well-being concerns are being met. The College may implement interim measures, as appropriate, regardless of whether a reporting party seeks an investigation or resolution.

When determining interim measures the following items may be taken into consideration:

- the specific needs expressed by the parties;
- the age of the parties involved;
- the severity or pervasiveness of the allegations;
- any continuing effects on the parties;
• whether the parties share the same class, transportation, or job location;
• other non-college measures or actions taken such as civil protection orders or filing of criminal charges.

The administrator or investigator conducting the Initial Inquiry may conduct a Pre-Investigation Risk Assessment to assist in determining if a continuing or significant risk of harm to self or if a health or safety emergency exist. If it is believed that a continuing or significant risk to the safety or well-being of that student, other students, or other members of the community exist the case will be forwarded to the full South Texas College Behavioral Intervention Team for further risk assessment.

Interim measures may be imposed at any time for all parties and may include but are not limited to the following:

• Extensions of time or other course-related adjustments
• Alterations to course schedules or work schedules
• Arranging for a campus escort
• Leaves of absence
• Increased monitoring of certain areas of the campus

Additional Interim/ Remedial Actions

In addition to the interim actions outlined above, the Title IX Coordinator or Title IX Deputy Coordinator may provide remedial actions intended to address the short or long-term effects of sexual misconduct, gender discrimination, and/or retaliation. Remedial actions may be taken at the conclusion of the process in addition to any actions that may have been taken on an interim basis, in order to redress harm to the complainant and the community and to prevent further harassment or violations. Remedial actions may also be used when, in the judgment of the Title IX Coordinator or Title IX Deputy Coordinator, the safety or well-being of any member(s) of the campus community may be jeopardized by the presence on campus of the respondent or the ongoing activity of a student organization whose behavior is in question. These remedies may include, but are not limited to, referral to counseling and health services, education to the
community, altering work arrangements, providing campus escorts, implementing contact limitations between the parties, or offering adjustments to academic deadlines and/or course schedules.

Violation of interim provisions will be grounds for disciplinary action.

**Notice of Alleged Violation**

Any member of the South Texas College community, visitor or guest may allege a policy violation(s) by any student for misconduct under the Code of Student Conduct by following the steps listed on this web page: [http://life.southtexascollege.edu/student-conduct/](http://life.southtexascollege.edu/student-conduct/).

Notice may also be given to the Office of Student Conduct (or designee) and/or to the Title IX Coordinator (or designee), when appropriate. Additionally, administrators may act on notice of a potential violation whether a formal allegation is made or not. All allegations can be submitted by a reporting party or as a third party report, and should be submitted as soon as possible after the offending event occurs. South Texas College has the right to pursue an allegation or notice of misconduct on its own behalf and to serve as convener of the subsequent campus conduct process even without the participation of the reporting party.

The Office of Student Conduct (or designee) will assume responsibility for the investigation of the alleged violation as described in the sub-section below.

**Accommodations in the Student Conduct Process**

The College affords reasonable accommodations for disability within the Student Conduct Process to any student. To receive accommodations, the student must make a request in person or in writing to the Director of Student Conduct. The request must state what specific accommodations are requested. Once requested, the Director of Student Conduct will work with the Office of Disability Services to determine eligibility for accommodations and approval of appropriate accommodations. Please note that the Office of Student Conduct does not approve accommodations or determine what accommodations are appropriate, but will provide any accommodations approved by the Office of Disability Services.

**Standard of Proof**

The standard of proof for all hearings is a preponderance of evidence, as defined above. Formal “Rules of Evidence” do not apply to Administrative Student Conduct Process. A hearing officer or panel will weigh all information, or "the Totality of the Evidence" presented when making a determination of whether there has been a violation of the Code Student of Conduct. Any information relevant to the Administrative Student Conduct Process will be considered, if credible. Unduly repetitive evidence, or evidence solely relating to character, may be excluded.
Polygraph Examinations

The Office of Student Conduct endeavors to find the truth and ensure that all parties are treated fairly throughout the Administrative Student Conduct Process. As such, the Office of Student Conduct will review all information presented by or on behalf of any party to the Administrative Student Conduct Process; a polygraph examination, if provided by either party and if conducted by a reputable professional in appropriate conditions, will be given the same weight as any other information or evidence that is presented. Polygraphers may be called as witnesses to verify the accuracy of any results. The College does not administer or pay for polygraphic examinations. Information obtained as a result of a polygraph examination **WILL NOT** be enough on its own to determine whether or not an individual has or has not violated the Code Student of Conduct.

Preliminary Inquiry and/or Educational Conference

The College conducts a preliminary inquiry into the nature of the incident, allegation or notice, the evidence available, and the parties involved. The preliminary inquiry may lead to:

1. A determination that there is insufficient evidence to pursue the investigation, because the behavior alleged, even if proven, would not violate the Code of Student Conduct, (e.g.: for reasons such as mistaken identity or allegations of behavior that falls outside the code).
2. A more comprehensive investigation, when it is clear more information must be gathered (see detailed procedures on pg. 98).
3. A formal allegation of a violation and/or an educational conference with the responding party.

When an initial educational meeting/conference is held, the possible outcomes include:

1. A decision not to pursue the allegation based on a lack of or insufficient evidence. The matter should be closed and records should so indicate.
2. A decision on the allegation, also known as an “informal” or “administrative” resolution to an uncontested allegation (see below).
3. A decision to proceed with additional investigation and/or referral for a “formal” resolution.

Gatekeeping and Intake

No allegation will be forwarded for a hearing unless there is reasonable cause to believe the Code of Student Conduct or a Board Approved South Texas College policy has been violated. Reasonable cause is defined as some credible information to support each element of the offense, even if that information is merely a credible witness or a reporting party’s statement. An allegation that is wholly unsupported by any credible information will not be forwarded for a hearing.
Following receipt of notice or a complaint, the Title IX Coordinator or Deputy Coordinator will make an initial determination as to whether the information has merit to reasonably indicate there may have been a violation of College policy.

The following are recommended elements of a report:

- Detailed explanation of the alleged incident(s) (e.g.: who, what, when, where, and how it occurred);
- Any supporting documentation and evidence;
- The desired remedy (interim sanction) sought;
- Name and all contact information for the reporting party;
- Clear demonstration of all informal efforts, if any, to resolve the issue(s) with the person involved and the person's supervisor;
- This includes names, dates and times of attempted or actual contact along with a description of the discussion and the manner of communication made in the course of each effort;
- If the investigator cannot contact the person involved and/or the supervisor, the reporting party should state the reasons why.

The Office of Student Rights and Responsibilities has primary authority and responsibility for the administration of student discipline.

Title IX complaints refer to Policy 4216 Harassment, Discrimination, and Sexual Misconduct. Non-Title IX complaints will follow Policy 3313 Student Grievance and Complaint.

**Informal /Administrative Resolution**

Informal resolution is an alternative to the formal complaint resolution process. The Dean of Student Affairs or their designee will determine if informal resolution is appropriate, based on the willingness of all parties and the nature of the alleged conduct.

The following are elements of an informal resolution process:

1. If a decision on the allegation is made and the initial finding is that the responding party is not responsible for violating the Code of Student Conduct, or that there is insufficient information to warrant further investigation, the Administrative Student Conduct Process will end.
   a. Upon notification, the reporting party may request that the Dean of Student Affairs or their designee reopen the investigation and/or grant a hearing.
   b. This decision will be at the discretion of the Dean of Student Affairs or their designee and will only be granted for extraordinary cause such as.
i. A procedural error occurred that significantly impacted the outcome of the hearing (e.g. substantiated bias, material deviation from established procedures, etc.);

ii. The finding is not supported by the preponderance of the evidence;

iii. To consider new evidence, unavailable during the original hearing or investigation, that could substantially impact the original finding or sanction. A summary of this new evidence and its potential impact must be included;

iv. The sanctions imposed are substantially outside the parameters or guidelines set by the College for this type of offense or the cumulative conduct record of the responding party.

2. During the initial intake, the administrator or investigator conducting the Initial Inquiry may conduct a Pre-Investigation Risk Assessment to assist in determining if a continuing or significant risk of harm to self or if a health or safety emergency exist. If it is believed that a continuing or significant risk to the safety or well-being of that student, other students, or other members of the community exist the case will be forwarded to the full South Texas College Behavioral Intervention Team for further risk assessment.

3. If the administrator or investigator conducting the Initial Inquiry makes an initial finding that more likely than not the responding party is responsible for violating the Code of Student Conduct, or that there is sufficient information to warrant further investigation, the responding party may be offered an opportunity to resolve the matter informally.

4. If the responding party accepts or admits responsibility to the initial finding of violation of the Code of Student Conduct, the College will consider this an “uncontested allegation”, and the administrator or investigator will move the initial inquiry meeting to an informal sanctions hearing.
   a. The informal sanctions hearing may continue at that time or be postponed, at the request of either party, for a reasonable period of time, normally 10 business days.
   b. Either party may request that a conduct panel of 3 to 5 members administer sanctions.

5. Once sanctions are informal sanctions are imposed, either party may accept or reject. If accepted, the process ends. For Conduct Sanction Review Appeal Panel, refer to Appeal/ Sanctions Review Process.

**Dispute Resolution Options**

The Office of Student Conduct, has discretion to refer an allegation for mediation or other forms of appropriate dispute resolution, including restorative circle options. All parties must agree to dispute resolution and to be bound by the decision with no review/appeal. Any unsuccessful dispute resolution can be forwarded for formal processing and hearing; however, at no time will allegations of physical sexual misconduct or violence be mediated as the sole institutional response. The Office of Student Conduct, may also suggest that allegations that do not involve a...
violation of the Code of Student Conduct be referred for mediation or other appropriate dispute resolution.

Advisors

All parties are entitled to an advisor of their choosing to guide and accompany them throughout the College’s Student Conduct Process. The advisor may be a friend, mentor, family member, attorney or any other supporter a party chooses to advise them.

The parties are entitled to be accompanied by their advisor in all meetings and interviews at which the party is entitled to be present, including intake, interviews, hearings and appeals. Advisors should help their advisees prepare for each meeting, and are expected to advise ethically, with integrity and in good faith. The College cannot guarantee equal advisory rights, meaning that if one party selects an advisor who is an attorney, but the other party does not, or cannot afford an attorney, the College is not obligated to provide one. However, the College maintains a listing of local attorneys who may offer their services pro bono.

All advisors are subject to the same College rules, whether they are attorneys or not. Advisors may not address College officials in a meeting, interview or hearing unless invited to or a sidebar is requested. Advisors may confer quietly with their advisees as necessary, as long as they do not disrupt the process. For longer or more involved discussions, the parties and their advisors should ask for breaks or step out of meetings to allow for private conversation. Advisors will typically be given an opportunity to meet in advance of any interview or hearing with the administrative officials conducting that interview or meeting. This pre-meeting will allow advisors to clarify any questions they may have, and allows the College an opportunity to clarify the role the advisor is expected to take. Advisors are expected to refrain from interference with the College investigation and resolution. Any advisor who steps out of their role in any meeting will be warned once and only once. If the advisor continues to disrupt or otherwise fails to respect the limits of the advisor role, the advisor will be asked to leave the meeting. When an advisor is removed from a meeting, that meeting will typically continue without the advisor present. Subsequently, an appropriate administrator will determine whether the advisor may be reinstated, may be replaced by a different advisor, or whether the party will forfeit the right to an advisor for the remainder of the process.

The College expects that the parties will wish to share documentation related to the allegations with their advisors. The College provides a consent form that authorizes such sharing. The parties must complete this form before the College is able to share records with an advisor. Advisors are expected to maintain the privacy of the records shared with them. These records may not be shared with 3rd parties, disclosed publicly, or used for purposes not explicitly authorized by the College. The College may seek to restrict the role of any advisor who does not respect the sensitive nature of the process or who fails to abide by the College’s privacy expectations.
The College expects an advisor to adjust their schedule to allow them to attend College meetings when scheduled. The College does not typically change scheduled meetings to accommodate an advisor’s inability to attend. The College will, however, make provisions to allow an advisor who cannot attend in person to attend a meeting by telephone, video and/or virtual meeting technologies as may be convenient and available.

A party may elect to change advisors during the process, and is not locked into using the same advisor throughout.

**Notice of Hearing**

a. Once a determination is made that reasonable cause exists for the Office of Student Conduct (or designee) to refer an allegation for a hearing, notice will be given to the parties. Notice will be in writing and may be delivered by one or more of the following methods:

1. in person by the Office of Student Conduct (or designee);
2. mailed to the local or permanent address of the student as indicated in official College records;
3. or emailed to the student’s South Texas College-issued email account. Once mailed, emailed and/or received in-person, such notice will be presumptively delivered.

b. The letter of notice will:

1. Include the alleged violation and notification of where to locate the Code of Student Conduct and procedures for resolution; and
2. Direct the parties to contact the Office of Student Conduct (or designee) within a specified period of time to address the allegations or meet with an investigator. This time period will generally be no less than 2 days and no more than 12 from the date of confirmed delivery of the summons letter.
3. Summarize all potential sanctions that could result from a finding of violation.

c. A meeting with the Office of Student Conduct (or designee) may be arranged to explain the nature of the allegations and the conduct process. At this meeting, the responding party may indicate, either verbally or in writing, to the Office of Student Conduct (or designee), whether they admit to or deny the allegations of the complaint.
Administrative Student Conduct Process Time Frames

Judicial Referrals

Any member of the South Texas College Community may submit a report alleging that an act of misconduct has been committed. The report will be reviewed and the Office of Student Conduct, will make a preliminary determination typically within 7 calendar days of whether there is enough information to notify the parties that a violation(s) of the Code of Student Conduct has potentially occurred or if there is need for further investigation and information gathering. The parties will be notified in writing and directed to the Office of Student Conduct, typically within 7 days calendar after the College receives notice of an alleged violation.

In all instances, reporting parties are encouraged to make a report as soon as they become aware of a potential violation of the Code of Student Conduct. It is the position of the Office of Student Conduct, that all allegations of student misconduct will be reviewed and investigated as soon as they are reported.

All alleged violations of the Code of Student Conduct will be presented to the parties in written form at least 7 days calendar in advance of any hearing before a representative from the Office of Student Conduct, or the Sanction Review Panel, unless that period is waived by the party.

Investigations

The Office of Student Conduct, may conduct an investigation to determine if the allegations have merit and what the next steps of the Office of Student Conduct may take. When possible, investigations into allegations of misconduct will be completed within 14 days. In instances where an investigation cannot be completed within 14, the parties will be notified of the delay in writing.

Investigation Procedures

The Office of Student Conduct may appoint an investigator(s) for allegations under this Code. The investigator(s) will take the following steps, if not already completed:

1. Initiate any necessary remedial actions, when appropriate, on behalf of the parties;

2. Determine the identity and contact information of the parties;

3. Conduct an immediate preliminary inquiry to identify an initial list of all policies that may have been violated, to review the history of the parties, the context of the incident(s), any potential patterns and the nature of the allegations;

   a. If the reporting party is reluctant to pursue the allegations, determine whether the allegations should still be pursued and whether sufficient
independent evidence could support the allegations without the participation of the reporting party in the investigation;
b. Notify the reporting party of whether the College intends to pursue the allegations regardless of their involvement, and inform the reporting party of their rights in the process and option to become involved if they so choose;
c. The preliminary inquiry usually takes about 7 days to complete.

4. If indicated by the preliminary inquiry and authorized by the Coordinator or Director or Student Conduct, conduct a comprehensive investigation to determine if there is reasonable cause to believe that the responding party violated the South Texas College Code of Student Conduct or other College policy, and to determine what specific policy violations should be addressed;
   a. If there is insufficient evidence through the investigation to support reasonable cause, the investigation will be closed with no further action;
   b. If reasonable cause is found, the process will continue.

5. Meet with the reporting party to take or finalize a statement, which will be drawn up by the investigator as a result of this meeting, or submitted electronically by the reporting party if they do not wish to be interviewed;

6. Commence a thorough, reliable, and impartial investigation by developing a strategic investigation plan, including a witness list, evidence list, intended timeframe, and order of interviews for all witnesses and the responding party. The responding party will usually be given at least 48 hours advance notice of an investigation interview, unless an exigency requires less notice or no notice, as in the case of potential destruction of evidence.
   a. Prepare the notice of alleged policy violation(s) and a summary of the allegations, on the basis of the reasonable cause determination. This notice may be delivered prior to, during, or after the responding party is interviewed, at the discretion of the investigator(s), but with a preference for delivery prior to the interview, where possible.

7. Interview all relevant witnesses, summarize the information they are able to share, and have each witness sign the summary to verify its accuracy or submit their statement electronically;

8. Obtain all documentary evidence and information that is available;

9. Obtain all physical evidence that is available;
10. Complete the investigation promptly by analyzing all available evidence without unreasonable deviation from the intended timeline;

11. Make a recommended finding, based on the **Preponderance of the Evidence** whether a policy violation is **More Likely Than Not**;

12. Draft a comprehensive report of the investigation;

13. Share the report with the parties, typically giving them 48 hours to respond in person or in writing to the information in the report; The investigator may include their own responses in the report, and/or exchange the responses between the parties and allow them to respond, incorporating all responses into the report.

14. Once finalized, present the investigation report and recommended findings to the responding party, who may:

   a. accept the recommended findings,
   b. accept the recommended findings in part and reject them in part, or
   c. reject all recommended findings;

15. If the recommended findings are accepted, they become final. If the findings are fully or partially rejected, the procedures for a hearing, below, will commence.

16. A reporting party may make a request that the Director of Student Conduct or Title IX Coordinator require a hearing if a finding of no violation has been recommended, but that request will only be granted under extraordinary circumstances at the sole discretion of the appropriate administrator. Otherwise, the determination of the investigation that there is no violation is final.

17. Share the recommended findings and update the reporting party on the status of the investigation and the outcome.

18. If findings are accepted, and a policy violation(s) has been found, the investigator will recommend sanction(s). If the sanctions are accepted, they become final, subject to any appeal of sanctions that may be requested.

19. If the recommended sanctions are rejected fully or in part, a sanction hearing will be held in accordance with the procedures outlined, below.
20. The investigator will provide the investigative summary report to the Title IX Coordinator for review and evaluation. The Dean of Student Affairs, Student Conduct Panel or designee will determine policy violations based on a preponderance of the evidence standard (whether a policy violation is more likely than not) and sanctions.

21. Both parties will be given an opportunity to review the investigation report, meet with the administrator or investigator conducting the investigation, submit additional information, identify any additional witnesses or information they believe that investigator should pursue, and submit a list of questions that they would like for the other party or their witness(s) to answer under indirect cross examination.

**Investigation Findings**

Upon completion of the preliminary investigative report, the administrator or investigator conducting the investigation will forward the report to the Dean of Student Affairs or designee for an appropriate hearing in accordance with South Texas College Code of Student Conduct.

**Indirect Cross Examination**

At the conclusion of the investigation, both parties will be allowed to review the preliminary investigation report. The preliminary investigation report will summarize the information gathered during the investigation, and include all contested and uncontested information. At the preliminary investigation report, the administrator or investigator conducting investigation or preliminary inquiry will include a set of findings.

Both parties will be given an opportunity to review the preliminary investigation report, meet with the administrator or investigator conducting the investigation, submit additional information, identify any additional witnesses or information they believe that investigator should pursue, and submit a list of questions that they would like for the other party or their witness(s) to answer under indirect cross examination.

Both parties may request a three day extension to gather further information or to develop the list of questions they wish to submit, if either party wishes to request additional time they MUST submit a writing request to the assigned administrator or investigator. A final decision in the Conduct Hearing may be delayed for a reasonable amount of time to allow the administrator or investigator, hearing officer, or conduct panel time to facilitate the indirect cross examination.

**Notification of Investigative Findings**

If it is found there is a violation of the South Texas College Code of Student Conduct, the Dean of Student Affairs (or designee) will impose appropriate sanctions for the violation, after consultation with the Title IX Coordinator and or Title IX Deputy Coordinator. The College will act to end the sexual misconduct, gender discrimination or retaliation, prevent its recurrence,
remedy its effects on the victim and the College community. In the event that the accused individual rejects the findings in part or entirely, the Dean of Student Affairs (or designee) will convene a hearing under its respective procedures to determine whether the accused individual is in violation of the contested aspects of the complaint. At the hearing, the findings of the investigation will be admitted, but are not binding on the decider(s) of fact.

The administrator or investigator conducting the investigation may give evidence. The hearing will determine whether it is more likely than not that the accused individual violated the South Texas College Code of Student Conduct forming the basis of the charge. The goal of the hearing is to provide an equitable resolution via an equitable process, respecting the civil and legal rights of all participants. The Dean of Student Affairs (or designee) has final decision-making authority with regard to formal complaints, subject to appeal. Where an accused individual is found in violation, preferably in the form of a recommendation of finding and sanction to the Dean of Students Affairs, the Office of Student Rights and Responsibilities will impose appropriate sanctions for the violation, after consultation with the Title IX Coordinator and Title IX Deputy Coordinators. The College will act to end the sexual misconduct, gender discrimination, retaliation or harassment, prevent its recurrence, and remedy its effects on the victim and the College community. Appeal proceedings will apply to all parties to the complaint.

**Investigation Party Withdrawal**

Should a responding student(s) decide to withdraw from the College and/or not participate in the investigation and/or hearing, the process will nonetheless proceed in the student’s absence to a reasonable resolution and that student(s) will not be permitted to return to the College unless any and all sanctions have been completed. The Title IX Coordinator or Title IX Deputy Coordinator will continue to monitor and evaluate the effects of the remedied conduct upon the victim and the community.

**Hearing Options and Preparation**

The following sub-sections describe the College’s conduct hearing process. Except in an allegation involving failure to comply with the summons of the Office of Student Conduct, no student may be found to have violated the South Texas College Code of Student Conduct solely as a result of the student’s failure to appear for a hearing. In all such instances, conduct hearings will proceed as scheduled and all the available information will be presented to, and considered by, the Dean of Student Affairs, the Office of Student Conduct, or panel presiding over the hearing.

Where the responding party accepts a recommended finding or admits to violating the South Texas College Code of Student Conduct, the Dean of Student Affairs and/or Office of Student Conduct, may invoke Informal / Administrative Resolution procedures to determine and administer appropriate sanctions without a formal hearing, as outlined on page 94 of this code. In an Informal / Administrative Resolution, allegations will be heard and determinations will be made by the Dean of Student Affairs and/or Office of Student Conduct.
Section 7: Administrative Resolution

When a student is alleged to have violated the Code of Student Conduct or a College policy, the Office of Student Conduct will resolve the allegation according to the following process, unless the above investigation process is used instead, at the discretion of the Director of Student Conduct or the Title IX Coordinator:

1. The student will be notified of the allegations and all specific policies that may have been violated. This notification may be verbal but will also be provided in writing. The Office of Student Conduct will schedule a meeting with the student.

2. The Office of Student Conduct may seek professional assistance and advice or take other measures to ensure fair disposition of the matter.

3. In the meeting, the responding party will be afforded the opportunity to admit or deny the allegations and present information to the Office of Student Conduct. If the student admits the violation(s), the following procedures or dispute resolution will apply. If the student denies the alleged violation(s), the Office of Student Conduct will refer the matter for dispute resolution, investigation and/or a hearing.

   a. The responding party will meet at a time and location designated by the Office of Student Conduct. The responding party must attend the scheduled meeting, but is not required to answer questions or to give evidence.

   b. The purpose of the meeting will be to review the alleged misconduct or policy violation and hear what witnesses have stated, if they have been interviewed already. During the meeting formal rules of process, procedure, and/or technical rules of evidence as applied in criminal or civil court will not be used.

   c. If the student admits the violation, or if the alleged violation is a minor offense (meaning it will not result in suspension or expulsion), the Office of Student Conduct may render an administrative decision based upon a “preponderance of evidence or more likely than not” standard of proof. A preponderance of evidence standard of proof requires a finding that the facts asserted are more likely to be true than not.

4. The Office of Student Conduct, will present an explanation of the administrative decision to the parties, detailing any sanctions to be imposed. The explanation will include information regarding the appeal process should the any party wish to challenge the decision. The explanation may be verbal or in writing.

Where the responding party denies violating the South Texas College Code of Student Conduct, and the offense could result in suspension or expulsion, a formal hearing will be conducted. This process is known as a Student Conduct Hearing. At the discretion of the Dean of Student Affairs and/ or Office of Student Conduct, a request by one or more of the parties for an Informal /Administrative Resolution may also be considered. The parties will be given a minimum of 7 days to prepare for a hearing unless all parties wish to proceed more quickly. Preparation for a formal hearing is summarized in the following guidelines:
1) Notice of the time, date and location of the hearing will be made in writing to the parties and may be delivered by one or more of the following methods: in person by the Office of Student Conduct; mailed to the local or permanent address of the student as indicated in official College records; or emailed to the student's College-issued email account. Once mailed, emailed and/or received in-person, such notice will be presumptively delivered.

2) If there is a reporting party of the conduct in question, the reporting party may bring the allegation forward or may elect to have the College administration bring the allegation forward. Where there is a reporting party, the College administration will serve as the party bringing the allegation forward.

3) If a responding party fails to respond to notice from the Office of Student Conduct, the Office may initiate an action for failure to comply with the directives of a College official and give notice of this offense. Unless the student responds to this notice within 3 days by answering the original notice, a Student Conduct Hearing may be scheduled and held in the student’s absence. As a result, the student may be administratively withdrawn from attending classes or a disciplinary hold may be placed on their College account, deeming them ineligible to register for courses until such time as the student responds to the initial allegations.

At least 3 days before any scheduled formal hearing, where an investigation has not already been done, the following will occur:

   a. The responding party will deliver to the Office of Student Conduct a written response to the allegations;

   b. The parties will deliver to the Office of Student Conduct a written list of all witnesses for the College to call at the hearing;

   c. The parties will deliver to the Office of Student Conduct physical evidence the parties intend to use or need to have present at the hearing and will indicate who has possession or custody of such evidence, if known, so that the Office of Student Conduct can arrange for its presence;

   d. The parties will notify the Office of Student Conduct of the name of any advisor who may be accompanying the parties at the hearing.

The Office of Student Conduct will ensure that the hearing information and any other available written documentation, include any investigation report, is shared between the parties at least 2 days before any scheduled hearing. In addition, the parties will be given a list of the names of all the panelists in advance. Should any party object to any panelist, that party must raise all objections, in writing, to the Office of Student Conduct immediately. Hearing officers will only be unseated if the Dean of Student Affairs concludes that their bias precludes an impartial hearing of the allegations. Additionally, any panelist who feels they cannot make an objective
determination must recuse themselves from the proceeding once they receive a list of the names of all parties and witnesses prior to the hearing.

**Student Conduct Hearing Procedures**

The Dean of Student Affairs or the Office of Student Conduct will appoint one panelist as the Chair for the hearing. The parties have the right to be present at the hearing; however, they do not have the right to be present during deliberations. If a student cannot attend the hearing, it is that student’s responsibility to notify the Office of Student Conduct no less than 3 days prior to the scheduled hearing to arrange for another date, time and location. Except in cases of grave or unforeseen circumstances, if a party fails to give the requisite minimum 3 day notice, or if the student fails to appear, the hearing will proceed as scheduled. If the reporting party fails to appear, the allegations may be dropped or the College may choose to pursue the allegation on its own behalf, as determined by the Dean of Student Affairs and/or the Office of Student Conduct.

Student Conduct Hearings will be conducted according to the following guidelines:

1. Hearings will be closed to the public.

2. Admission to the hearing of persons other than the parties involved will be at the discretion of the panel chair, Dean of Student Affairs and/or the Office of Student Conduct.

3. In hearings involving more than one responding party, the standard procedure will be to hear the allegations jointly; however, Dean of Student Affairs and/or the Office of Student Conduct may permit the hearing pertinent to each responding party to be conducted separately. In joint hearings, separate determinations of responsibility will be made for each responding party.

4. The parties have the right to an advisor of their own choosing, pursuant to the policy on advisors on page 95.

5. The parties, the panel, and the Dean of Student Affairs, the Office of Student Conduct, will have the privilege of questioning all present witnesses and questioning all present parties directly or through the Chair, at the discretion of the Chair. Unduly repetitive witnesses can be limited at the discretion of the panel Chair, Dean of Student Affairs, or the Office of Student Conduct.

6. Pertinent records, exhibits, and written statements may be accepted as information to be considered by the panel, Dean of Student Affairs, and the Office of Student Conduct.
7. Formal rules of evidence are not observed. The panel Chair, Dean of Student Affairs, or the Office of Student Conduct may limit the number of character witnesses presented or may accept written affidavits of character instead.

8. All procedural questions are subject to the final decision of the Dean of Student Affairs, Office of Student Conduct, or panel Chair.

9. After the conclusion of the hearing, the Dean of Student Affairs, Office of Student Conduct, or panel will deliberate and determine using the preponderance of the evidence standard, whether it is more likely than not that the responding party has violated the South Texas College Code of Student Conduct. For panel hearings, decisions will be made by majority vote. The Office of Student Conduct will be present and available as a resource during all deliberations. Once a finding is determined, if the finding is that of a policy violation, the Dean of Student Affairs, Office of Student Conduct, or panel will determine an appropriate sanction(s). The Office of Student Conduct is responsible for informing the panel of applicable precedent and any previous conduct violations or other relevant pattern information about the responding party. The Dean of Student Affairs, Office of Student Conduct, or panel Chairperson will prepare a written report and deliver it to the Office of Student Conduct, detailing the recommended finding, how each member voted, the information cited in support of the recommendation, and any information that was excluded from its consideration and why. This report should conclude with any recommended sanctions. This report should not normally exceed 2 pages in length and must be submitted to the Office of Student Conduct within 2 days of the end of deliberations.

10. The Dean of Student Affairs and/or Office of Student Conduct will consider the recommendations of the panel, may make appropriate modifications to the panel’s report, and will then render a decision and inform the parties of the final determination, normally within 5 days of the hearing. Notification will be made in writing and may be delivered by one or more of the following methods: in person by the Office of Student Conduct; mailed to the local or permanent address of the student as indicated in official College records; or emailed to the student’s College-issued email account. Once mailed, emailed and/or received in-person, such notice will be presumptively delivered. In cases of sexual misconduct and other crimes of violence, notice of the outcome will be delivered to all parties simultaneously, meaning without substantial delay between the notifications to each.

11. There will be a single verbatim record for all panel hearings. All information, evidence, and reports will be maintained in the College’s Student Conduct Electronic Database; currently Maxient Student Conduct Software.
Indirect Cross Examination

At the conclusion of the investigation, both parties will be allowed to review the preliminary investigation report. The preliminary investigation report will summarize the information gathered during the investigation, and may outline contested, and uncontested information. The preliminary investigation report may include findings.

Both parties will be given an opportunity to review the preliminary investigation report, meet with the administrator or investigator conducting the investigation, submit additional information, identify any additional witnesses or information they believe that investigator should pursue, and submit a list of questions that they would like for the other party or their witness(s) to answer under indirect cross examination.

Both parties may request a reasonable amount of time to gather further information or to develop the list of questions they wish to submit. A final decision in the Conduct Hearing may be delayed for a reasonable amount of time to allow the administrator or investigator, hearing officer, or conduct panel time to facilitate the indirect cross examination.

Composition of the Hearing Panel

The Dean of Student Affairs or the Office of Student Conduct will be responsible for assembling the Hearing Panel according to the following guidelines:

1) The membership of the panel is selected from a pool of at least 6 faculty, and 6 staff/administrative members appointed and trained for at least 8 hours annually by the Dean of Student Affairs or Office of Student Conduct.

2) For each hearing, a panel will be chosen from the available pool, and is usually comprised of one faculty member, one staff member, one administrator and a non-voting chair. Availability may determine a different composition for the panel, and in allegations involving discrimination, sexual misconduct, or other sensitive issues, the Dean of Student Affairs and the Office of Student Conduct will usually use three administrative/staff members for the panel. The Dean of Student Affairs and the Office of Student Conduct appoints the non-voting chair of the Hearing Panel, who assures that all South Texas College procedures are followed throughout the hearing.

Rights of the Parties

1. The right to receive notification of the section(s) of the Code of Student Conduct allegedly violated and the date, time, and place of any conference, meeting, interview, or hearing on the alleged violation.

2. The right to challenge the objectivity or fairness, or to raise a conflict-of-interest regarding any of the persons involved in addressing the matter through the Student
Conduct Process. The decision to uphold any challenge rests with the chair of the proceeding, the Title IX Coordinator, or the Director of Student Conduct.

11. The right to review the record of any investigation or hearing in accordance with all state laws and the Family Educational Rights and Privacy Act.

14. The right to request the ability to pose and answer questions outside of the physical presence of the other party.

Sanctions

South Texas College and the Office of Student Conduct reserves the right to impose conduct sanctions that may include changes in programs, courses, schedules, policies, services, and requirements with or without advance notice.

All sanctions listed may be imposed upon groups or organizations found to have violated the Code of Student Conduct. This includes but is not limited to deactivation, de-recognition, loss of all privileges, or revocation of status as a registered group or organization by the College, for a specified period of time. Sanctions related to Title IX violations may be reviewed by the Title IX Committee after meeting with the appropriate administration officials along the chain-of-command.

Types of Sanctions

Should it be determined that the responding party has violated the Code of Student Conduct, the Office of Student Conduct will issue an administrative decision imposing one or more of the following sanctions:

1. **Verbal or Written Warning**: Continuation or repetition of prohibited conduct or the commission of additional violations of this Code may be cause for additional sanctions.

2. **Restitution**: Compensation for damage caused to the College or any person’s property. This could also include situations such as failure to return a reserved space to proper condition – labor costs and expenses. This is not a fine but, rather, a repayment for labor costs and/or the value of property destroyed, damaged, consumed, or stolen.

3. **Probation**: Imposed for a defined period of time. The student is put on official notice that, should further violations of South Texas College policies occur during a specified probationary period, the student may face suspension or expulsion. Regular probationary meetings may also be imposed. Violation of the terms of probation or any other violation of the Code of Student Conduct or College policy during the period of probation may result in additional sanctions, including suspension or expulsion from the College.
4. **Community Service**: A specific number of hours of community service to be served per the terms of the sanction.

5. **Loss of Privileges**: The student will be denied specified privileges for a designated period of time.

6. **Confiscation of Prohibited Property**: Items whose presence or possession is in violation of South Texas College policy will be confiscated and will become the property of the South Texas College. Prohibited items may be returned to the owner at the discretion of the Dean of Student Affairs, the Office of Student Conduct, and/or Campus Police.

7. **Behavioral Requirement**: This includes required activities including, but not limited to, seeking academic counseling or substance abuse screening, writing a letter of apology, completion of a reflection or research paper, attending a class, program or lecture, etc.

8. **Educational Program**: Requirement to attend, present and/or participate in a program related to the violation. It may also be a requirement to sponsor or assist with a program for others on campus to aid them in learning about a specific topic or issue related to the violation for which the student or organization was found responsible. Audience may be restricted.

9. **Campus or Academic Reassignment**: Reassignment to another South Texas College campus or academic setting.

10. **Suspension**: Separation from South Texas College for a specified minimum period of time, after which the student is eligible to return. Eligibility may be contingent upon satisfaction of specific conditions noted at the time of suspension. The student is required to vacate the campus immediately upon notification of the action, though this deadline may be extended upon application to, and at the discretion of, the Dean of Student Affairs or the Office of Student Conduct. During the suspension period, the student is banned from College property, functions, events, sponsored activities, and contacting college personnel without prior written approval from the Dean of Student Affairs or the Office of Student Conduct. This sanction may be enforced with a trespass action as necessary.

11. **Expulsion**: The removal and permanent separation from the South Texas College. The student is banned from College property and the student’s presence at any College-sponsored activity or event is prohibited. This action may be enforced with a trespass action as necessary.

12. **Eligibility Restriction**: Restricted from use of or denial of specified College services, including participation in College activities. The student is deemed “not in good standing” with South Texas College for a specified period of time. Specific limitations or exceptions may be granted by the Dean of Student Affairs or the Office of Student Conduct and terms of this conduct sanction may include, but are not limited to, the following:
a) Ineligibility to hold any office in any student organization recognized by the South Texas College or hold an elected or appointed office at the College; or

b) Ineligibility to represent South Texas College to anyone outside the College community in any way including: participating in the study abroad program, attending conferences, or representing the College at an official function, event or intercollegiate competition as a player, manager or student coach, etc.

13. **Delayed Conferral of Degree**: Delay of issuance of a student's degree for a specified period of time or until the student meets certain conditions.

14. **Strike or Ban**: Denial of the right of a student club or organization, including but not limited to clubs, organizations, students groups, or intramural sports teams, to participate in any activity sponsored by or presented at any college function, on or off campus, or be officially recognized by the College, for violations of the Code of Student Conduct.

15. **Mental Health Assessment and/or Mandatory Treatment**: As a condition for either remaining in school or returning once a sanction is completed, the College may require an assessment for risk of self-harm or harm toward others or that the student attend mandatory treatment for such conduct.

16. **Withholding of Official Transcript, Degree, or Certificate**: The College may withhold the official transcript, degree, or certificate of completion; or deny, not recognize or revoke a degree. The College reserves the right to revoke an awarded degree for fraud in receipt of the degree, or for serious disciplinary violations committed by a student prior to the student's graduation.

17. **Withdrawal from a Course**: The Dean of Students or the Office of Student Conduct may issue a withdrawal from a course or courses with a grade of "W" (Withdrawal) or at 100% when deemed appropriate in accordance with this document.

18. **Supervision Plan or Case Management Plan**: Participation in a monitored supervision plan. Case management plans are individualized and developed with the individual. The plan is intended to build on individual strengths, resources and goals. Plans must be realistic and achievable. Case management plans include activities that will support the individual in meeting their goals, which will reduce or eliminate barriers to their success.

19. **Non-Academic Transcript Notation**: In accordance with Texas State law under House Bill 449, postsecondary educational institutions are **Required** to include on the student’s transcript, official or unofficial, a disciplinary notation stating that the student has been suspended or expelled.
Sanction Review Panel

The Sanction Review Panel is comprised of three to five members of the Behavioral Intervention Team and the trained pool of eligible Student Conduct Panelist.

The Sanction Review Panel is convened once a student has completed their term of suspension and is eligible to return to South Texas College. The panel reviews return requests pertaining, but not limited, to expulsion and suspension.

Students coming before a review panel will have their violations and subsequent sanction compliance reviewed and a determination will be made on their eligibility to return to the College community and any conditions they will be expected to complete during their probationary period. The student will be assigned a case manager, who will work with the student, the review panel, and the Office of Student Conduct to develop, monitor and complete an Individual Success Plan.

The student should understand that the requirements for returning to the college may change in response to new information, additional violations of the Code of Student Conduct, or other developments during the period of suspension.

For information about a student’s potential return to the college, the student is encouraged to contact the Office of Student Conduct for assistance with the transition back to campus and the development of an Individual Success Plan for early intervention should the student begin to experience problems. The Sanction Review Panel may impose conditions on re-entry, including but not limited to, any of the items listed below:

- Submission of a Written Request for Re-Entry, outlining what the student has done during the term of suspension to correct their disruptive behaviors.
- Submission of proof of gainful employment or contribution through community service or volunteer activities.
- Research or Personal Essay with the topic assigned by the Office of Student Conduct that is related to ethics or topics related to the sanction.
- Submission of proof of completion of chemical dependency or other counseling services.
- Submission of a current mental health evaluation.
- Completion of educational or social skills training as prescribed by the College.
- Submission of a Criminal History Check.
- Participation in the development of and compliance with an Individual Success Plan, developed and monitored by the South Texas College Care Team.

Student Conduct Review Panel (Appeals Panel)

The three to five member Student Conduct Review Panel hears appeals. Members are drawn from the panel pool, with the only requirement being that they did not serve on the Panel for the initial hearing. Student Conduct Review Panels review appeal requests submitted by the Office.
of Student Conduct. If an all administrative/staff panel is used to hear a sensitive issue, the Appeals Panel will also be comprised of only administrative/staff members.

The Dean of Student Affairs and the Office of Student Conduct will have final authority to approve all those serving on the panel. The non-voting advisor to the panel is the Office of Student Conduct. This panel uses the same procedures to avoid conflicts-of-interest that are used in the initial hearing process. In the event of a resignation or recusal from the panel, the Office of Student Conduct will solicit a replacement from the group from which the representative came. Decisions made, and sanctions imposed during the hearing process will be final and implemented, pending the normal appeal process. At the discretion of the Office of Student Conduct implementation of sanctions may be delayed pending review.

**Appeals (Final Review)**

Any party may appeal the determination made by the Office of Student Conduct. This appeal must be made in writing and received in the Office of the Vice President's for Student Affairs within 5 working days of receiving notice of the determination by the Office of Student Conduct. Appeals received after the deadline may be rejected without review. The parties will be notified in writing of the outcome of the appeal normally within 7 days after the appeal has been accepted for review. All sanctions originally imposed will be in effect during the appeal.

**Grounds for Appeal**

Appeal requests are limited to the following grounds:

1. A procedural error occurred that significantly impacted the outcome of the hearing (e.g. substantiated bias, material deviation from established procedures, etc.);
2. The finding is not supported by the preponderance of the evidence;
3. To consider new evidence, unavailable during the original hearing or investigation, that could substantially impact the original finding or sanction. A summary of this new evidence and its potential impact must be included;
4. The sanctions imposed are substantially outside the parameters or guidelines set by the College for this type of offense or the cumulative conduct record of the responding party.

**Procedures for Student Conduct Review Panel Hearings**

1. The Director of Student Conduct will share the appeal by one party with the other party (parties) when appropriate under procedure or law, giving the party an opportunity to appeal or respond to the other party’s appeal in writing. Once all parties have had an opportunity to request appeals and respond to all appeal requests, the Student Conduct Review Panel will meet. The panel will conduct an initial review to determine if the appeal request(s) meets the limited grounds and is timely. They
may consult with the Director of Student Conduct and/or Title IX Coordinator on any procedural or substantive questions that arise.

2. If the appeal is not timely or substantively eligible, the original finding and sanction will stand and the decision is final. If the appeal has standing, the panel determines whether to address the appeal itself or to remand it to the original decision-maker(s), typically within 3-5 business days. Efforts should be made to use remand whenever possible, with clear instructions for reconsideration only in light of the granted appeal grounds. Where the original decision-maker may be unduly biased by a procedural or substantive error, a new hearing may be constituted to reconsider the matter, which can in turn be appealed, once. Full review hearings by the Student Conduct Review Panel are very rarely used. In review, the original finding and sanction are presumed to have been decided reasonably and appropriately, thus the burden is on the appealing party(ies) to show clear error. The Student Conduct Review Panel must limit its review to the challenges presented.

3. On reconsideration, the Student Conduct Review Panel or original decision-maker may affirm or change the findings and/or sanctions of the original hearing body according to the permissible grounds. Procedural errors should be corrected, new evidence should be considered, and sanctions should be proportionate to the severity of the violation and the student’s cumulative conduct record.

4. All decisions of the Student Conduct Review Panel are normally to be made within seven days of submission to the Panel and are final, as are any decisions made by the original hearing body, Director of Student Conduct or Title IX Coordinator as the result of reconsideration consistent with instructions from Student Conduct Review Panel.

Other Guidelines For Appeals

Every opportunity to return the appeal to the original decision-maker for reconsideration should be pursued.

Appeals are not intended to be full re-hearings of the determination. In most cases, appeals are confined to a review of the written documentation or record of the original hearing, and pertinent documentation regarding the grounds for appeal; Witnesses may be called if necessary. Appeals are not an opportunity for appeals panelists to substitute their judgment for that of the original decision-maker merely because they disagree with the finding and/or sanctions. Appeals decisions are to be deferential to the original decision-maker, making changes to the finding only where there is clear error and to the sanction only if there is a compelling justification to do so. The decision of the panel concludes the approved South Texas College appeal process. An appeal may result in one of the following:
1. Affirm the finding of the Original Hearing Officer or Panel.

2. Affirm the finding of the Original Hearing Officer or Panel, and return the matter for reconsideration of the sanction.

3. Return the matter to the Original Hearing Officer or Panel for reconsideration of the finding and the sanction.

4. Modify the finding or sanction only where there is clear error and only if there is a compelling justification to do so.

Amnesty

For Those Who Offer Assistance: To encourage students who may be accused of minor policy violations to offer help and assistance others, South Texas College reserves the right to reduce or forgo the sanctioning of a student who offers help to others in need. At the discretion of the Dean of Student Affairs and the Office of Student Conduct, reducing or declining to sanction an individual may be extended on a case-by-case basis to a person offering assistance; however, individuals may be required to participate in educational options to help ensure their health, safety, and future success without having to face conduct proceedings or having conduct record. Repeated violations of the Code of Student Conduct, however so minor, may result in a decision by the Dean of Student Affairs and Office of Student Conduct not to reduce or forgo the sanctioning of the same person repeatedly.

For Those Who Report Serious Violations: For students who are engaged in minor violations but who choose to bring related serious violations by others to the attention of the College, the College reserves the right to reduce or forgo the sanctioning of a student on a case-by-case basis, when the individual makes a report of serious conduct violations, even cases where the individual may have committed minor violations of the Code of Student Conduct. Individuals may be required to participate in educational options to help ensure their health, safety, and future success without having to face conduct proceedings or having conduct record. Repeated violations of the Code of Student Conduct, however so minor, may result in a decision by the Dean of Student Affairs and Office of Student Conduct not to reduce or forgo the sanctioning of the same person repeatedly.

Safe Harbor: South Texas College has a Safe Harbor rule for students. The College believes that students who have a drug and/or addiction problem deserve help. If any College student brings their own use, addiction, or dependency to the attention of College officials outside the threat of drug tests or conduct sanctions and seeks assistance, no action under this Code will be pursued. A written action plan may be used to track cooperation with the Safe Harbor program by the student. Failure to follow the action plan may nullify the Safe Harbor protection and campus conduct processes may be initiated.
Student Clubs and Organizations

Student clubs and organizations will be responsible for the conduct of their members. Student groups, clubs, organizations and/or its individual members may be held accountable for conduct occurring before classes began, after classes end, or if it was discovered after the student graduates or during periods of suspension or other sanctions.

Sanctioning of Student Clubs or Organizations

A student group, club, or organization and its officers and membership may be held collectively and/or individually responsible when violations of this code by the organization or its member(s):

a. Take place at organization-sponsored or co-sponsored events, whether sponsorship is formal or tacit;
b. Have received the consent or encouragement of the organization or of the organization’s leaders or officers; or
c. Were known to or should have been known to the membership or its officers.

Hearings for student groups, clubs, or organizations follow the same general student conduct procedures. In any such action, individual determinations as to responsibility will be made and sanctions may be assigned collectively and individually and will be proportionate to the involvement of each individual and the organization.

Special Hearing Provisions for Sexual Misconduct, Discrimination and Other Allegations of a Sensitive Nature

All hearings under this sub-section will be conducted by a three member administrative panel drawn from the panel pool. For sexual misconduct, discrimination and other allegations of a sensitive nature, alternative testimony options may be provided, such as placing a privacy screen in the hearing room or allowing the parties to testify from another room via audio or audio/video technology. While these options are intended to help make the parties more comfortable, they are not intended to work to the disadvantage to any party.

Past Sexual History or Character

The past sexual history or sexual character of a party will not be admissible by the other party(s) in investigations or hearings unless such information is determined to be highly relevant by the appropriate administrator.

All such information sought to be admitted by a party(s) will be presumed irrelevant, and any request to overcome this presumption by the party(s) must be reviewed in advance of the hearing by the Dean of Student Affairs and the Office of Student Conduct, who may request written statements by the parties on the issue. While previous conduct violations by the responding party are not generally admissible as information about the present allegations, the Dean of Student
Affairs and the Office of Student Conduct may supply previous information to the investigators, the hearing panel, or may consider it themselves if they are hearing the allegations, only if:

- The previous incident was substantially similar to the present alleged violation;
- Information indicates a pattern of behavior and substantial conformity with that pattern by the responding party;
- Demonstration of a pattern, repeated, and/or predatory behavior by the responding party, in the form of previous findings in any legal or campus proceeding, or in the form of previous good faith allegations.

The parties will be notified in advance if any such information is deemed relevant and may be introduced in the investigation and/or hearing.

**Amnesty for Reporting Parties**

South Texas College encourages the reporting of violations of the Code of Student Conduct and crimes, especially instances of sexual misconduct. Reporting parties should not be hesitant to report such conduct to College officials because they fear that they may also be accused of policy violations, such as underage drinking at the time of the incident. It is in the best interest of the College community to encourage reporting of possible conduct violations to College officials. As such the College does not charge reporting parties with non-violent violations, such as unauthorized use of alcoholic beverages or drugs or narcotics, related to the incident. The College does take an educational and treatment approach in these instances, and reserves the right to refer reporting parties to appropriate resources at the discretion of the Office of Student Conduct.
Section 8: Student Discipline in the Classroom

Students at South Texas College are expected to exhibit the highest standards of academic integrity. An act of academic dishonesty is considered an offense against the college. For that reason, the college rules prescribe disciplinary consequences for academic dishonesty administered by the faculty member and the Office of Student Conduct, or their designee.

South Texas College supports the right of faculty to maintain discipline in the classroom. When a student is alleged to have committed an act academic dishonesty, been disruptive in the classroom, clinical or other academic setting, the course instructor or clinical supervisor (in consultation with the Program Chair, when appropriate) may move to sanction the student, which may include temporarily or permanently removing that student from class according to procedures outlined in this Section of the Code of Conduct.

The primary responsibility for managing the classroom environment rests with the course instructor; this includes instances of academic dishonesty. Each course instructor determines what behavior is appropriate or not appropriate in their classroom. For a detailed list of classroom rules, please review the individual course instructors syllabus, the program handbook or consult with the individual course instructor directly.

An academic unit such as a program, department, or division, may also make an academic assessment in the case of academic dishonesty provided there is a standing review procedure that describes an academic relation between academic dishonesty and progress in the program that the appropriate Dean (or their Designee) and the Vice President for Academic Affairs has approved. Students must be notified of additional expectations and procedures in written program materials, including class syllabi.

When a student exhibits inappropriate behavior in the classroom, clinical or other academic setting, the course instructor may move to sanction the student, which may include temporarily or permanently removing that student from class according to the following procedures:

Temporary Dismissal from a Course

The Instructor, at their discretion, may dismiss a student temporarily from a course for no more than two class periods or equivalent. In such instances, and no later than one working day after the dismissal, instructors MUST report the temporary dismissal to their Department Chair, their Dean (or their Designee), and the Office of the Dean of Students/ Office of Judicial Affairs by submitting an Eye-Witness-Report.

Students who are dismiss temporarily MUST leave the class while instruction is ongoing, the student MUST comply immediately. After the student have been removed, student and the instructor are required to meet face to face and resolve the matter with their instructor prior to the next regularly scheduled class, lab, or clinical meeting. If this is not possible, they may meet with the Department Chair, Associate Dean, or Dean to review the dismissal and seek resolution.
Instances where there have been multiple temporary dismissals from a course are, at the instructor’s discretion, sufficient grounds for permanent dismissal from that instructor’s course. The course instructor **MUST** provide notice to the student of the permanent removal and the reasons for the removal. The instructor must also inform the student of their right to appeal the removal to the appropriate Dean (or their Designee).

**Steps for Temporary Removal from a Course:**

The instructor **MUST** speak with the student and inform them of the rule, or standard that the student has violated prior to the next regularly scheduled class, lab, or clinical meeting. Provide written or verbal notice that future violations may result in permanent dismissal from the course, lab or clinical. If the alleged violation is serious enough to warrant immediate removal from class, the course instructor may withdraw the student from class and assign a "W"; if the instructor wishes to assign a letter grade of “F” they must submit a change of grade form to the Office of Admissions and Records at the end of the semester. The instructor should also notify the student in writing of their intention to assign a letter grade of “F”. All removals should be documented and reported to the appropriate Program Chair, Dean (or their Designee) and an Eye-Witness-Report should be submitted to the Dean of Students/ Office of Student Conduct.

**Steps for Permanent Removal from a Course:**

The instructor may dismiss a student from a course for the remainder of the semester in instances where the student has exhibited multiple infractions of classroom, lab, or clinical rules, or in cases where the alleged violation prevents instruction of the course from taking place or is so egregious that allowing the student to remain in class may pose a danger to the safety of others. Instructors **MUST** provide a written statement that includes the following:

- The name of the individual(s) being dismissed
- Specific reasons for the dismissal;
- The factual details of the incident;
- The names of any and all witnesses; and
- Any applicable dates, times and location of the incident(s).

Not more than 2 business days, after the incident that caused the dismissible from class, the instructor **MUST** provide the student with the following information:

- Specific reasons for the dismissal;
- The factual details of the incident;
- The names of any and all witnesses; and
- Any applicable dates, times and location of the incident(s).
- Notification of their right to appeal within 5 working days the removal from class to their Dean (or their Designee) in writing.

Not more than 2 business days, after the incident that caused the dismissible from class, the instructor **MUST** submitted their written statement to their Department Chair, their Dean (or
their Designee) and submit an Eye-Witness-Report to the Dean of Students/Office of Student Conduct.

In instances where the violation may be so egregious that a faculty member may be concerned about the health and safety of the other students in the course the faculty member may remove the student immediately, without a second occurrence; additionally, it is recommended that the faculty member notify Campus Police immediately. Please note, removal of a student from an individual instructors course may not constitute grounds to removal of a student from the college as a whole, please refer to the Administrative Conduct Process outlined on Section 7 of the Code of Student Conduct.

In instances where a student is alleged to have committed a violation of academic dishonesty, the instructor of record shall inform the student at the earliest possible date after becoming aware of the violation. The student may request a meeting to review the information that was used to determine that a violation has occurred. Both the faculty member and the student have the right to request mediation services from the Office of Ombuds Services to help facilitate the discussion. The Office of Ombuds Services shall serve in the capacity of third party neutral and shall not be placed in a position to determine if the student has committed an act of academic dishonesty or violation of the Code of Student Conduct.

I. Student Discipline in the Classroom - Appeal Process

The student may appeal the decision of the course instructor to the appropriate Dean (or their Designee). This appeal must be made in writing and received by the Dean (or their Designee) within 5 working days of the student receiving notice of the course instructor's decision. Upon receipt of the appeal, the Dean (or their Designee) shall review the appeal, hear witnesses if he/she so chooses, and render a decision.

The Dean (or their Designee) shall notify both the student and the instructor of record in writing once a decision has been made. The decision of the Dean (or their Designee) concludes the approved South Texas College appeal process for instances of student discipline in the classroom.

An appeal to the Dean (or their Designee) may result in one of the following:

1. Affirm the action of the course instructor.
2. Dismiss, reduce, or modify the penalty imposed by the course instructor.

If the student fails to submit their appeal in writing to the program Dean (or their Designee) within 5 working days of the student being notified of the instructor's decision, the instructor may then sanction the student.
