

REGIONAL CENTER FOR PUBLIC SAFETY EXCELLENCE

RCPSE

**Regional Center for Public Safety Excellence
Coordination of Joint Agency Operations &
Incident Command**

I. Joint Agency Operations Training

Agencies generally individually train for the same tasks. It is more efficient and cost effective to combine methods and expertise to conduct joint operations.

Discussion:

What recommendations would improve joint operations?

I. Incident Command System

RCPSE Incident Command training has been and will continue to be conducted to improve knowledge of system operations.

Discussion:

What can further enhance effective response to incidents?
